

REPORT TO CITY COUNCIL

DATE: SEPTEMBER 14, 2022

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: NATHAN HAMBURGER, CITY MANAGER

**BY: RAMIRO ADEVA, ASSISTANT CITY MANAGER
KIMBERLY RODRIGUES, CITY CLERK
CANDICE LEE, CITY ATTORNEY**

SUBJECT: CONDUCT INTERVIEWS OF QUALIFIED APPLICANTS AND SELECTION OF APPOINTEE TO FILL VACANCY OF CITY COUNCIL SEAT AND CONSIDER THE ADOPTION OF RESOLUTION NO. 22-2020; APPOINTING AN INDIVIDUAL TO FILL THE CITY COUNCIL VACANCY CREATED BY THE RESIGNATION OF COUNCILMEMBER LINDA L. NORTHRUP

On August 15, 2022, Councilmember Linda L. Northrup submitted a resignation letter creating a vacancy for her position on the City Council with the unexpired term through December 2024. On August 24, 2022, the City Council considered the options allowed under California Government Code Section 36512 for filling the vacant City Council seat, and direction was given to staff to do so through a formal interview and appointment process.

Applications for Appointment to City Council Vacancy were accepted from applicants between August 25, 2022, through September 8, 2022.

All applicants are required to meet the following eligibility criteria:

1. Be 18 years of age or older,
2. Be a resident of the incorporated area of the City of Agoura Hills,
3. Be a registered voter at the applicant's current place of residence in Agoura Hills,
4. Be able to certify that he/she meets the eligibility criteria requirements and is willing to serve in the office for the remainder of the unexpired term, and
5. Not be a certified candidate for the November 8, 2022, General Municipal Election.

At the close of the application period, 15 applications were received and voter registration was confirmed with the County. Refer to Attachment A to view a complete list of qualified applicants and copies of their applications.

Prior to the start of the interview process, all qualified applicants will be seated in a separate room adjacent to the Council Chambers, where a staff member will be assigned

to assist in facilitating the orderly movement of applicants to and from the Council Chambers. The order applicants will be interviewed will be based on a random live drawing conducted by the City Clerk from the staff dais. Once a name is announced, a designated staff person will summon the selected applicant to be interviewed by the City Council in the Council Chambers.

Each interview will begin with a three-minute period for the applicant to address the City Council and explain the reason(s) they should be appointed to fill the vacant City Council seat. Following the initial three minutes, each Councilmember will then have an opportunity to ask any additional questions to each applicant. After an applicant's interview ends, the next applicant's name will be drawn by the City Clerk. This process will repeat until all applicants have been interviewed.

At the conclusion of the interview process, there will be a brief meeting break to allow Councilmembers an opportunity to review their notes and determine their individual top applicant choice. At this time all applicants will also be allowed to join the audience in the Council Chambers to be present for the City Council discussion.

Following the break, each Councilmember will announce their single top applicant choice, resulting in a list containing a maximum of four applicants. It is worth noting the possibility this list could have less than four applicants if multiple Councilmembers choose the same top applicant or if there are no more than four total applicants to begin with.

The City Council will then openly discuss the list of top applicants to determine if there is majority support for a particular applicant. For clarification, a "majority" of the existing four-member body would be considered at least three members of the City Council. If there is majority support for a single applicant, the City Council has the option to make a formal motion to appoint the selected applicant at the same meeting of the interviews. In this scenario, the Oath of Office would be administered at the beginning of the next regularly scheduled meeting of the City Council on September 28, 2022, allowing the newly sworn Member of the City Council to be seated at the dais at that time and participate in the remaining items of the Agenda that evening.

In the event a majority of the City Council is unable to agree on a particular applicant, the City Council has agreed to use a ranking system, wherein each Councilmember will assign a unique point value to each of the top applicants. For example, assuming the list includes four applicants, the ranking system would be as follows:

- Choice #1 = 4 points
- Choice #2 = 3 points
- Choice #3 = 2 points
- Choice #4 = 1 point

Once each Councilmember completes their ranking of top applicants, they will submit their individual rankings to the City Clerk. The City Clerk will add each of the top

applicants' point totals from each Councilmember and the applicant with the most total points will be the selected appointee.

At that point, the City Council could then exercise its option to make a formal motion to adopt the resolution appointing the applicant that received the most points at the same meeting of the interviews. As previously mentioned, the Oath of Office would be administered at the beginning of the next regularly scheduled City Council meeting on September 28, 2022, allowing the newly sworn Member of the City Council to be seated at the dais at that time and participate in the remaining items of the Agenda that evening.

As required by the California Government Code, the appointment must be completed within 60 days of the commencement of the City Council seat vacancy, which would be no later than October 14, 2022. If for any reason, the City Council is unable to agree on an appointment by that date, the vacancy would need to be filled through a special election to be held on March 7, 2023.

RECOMMENDATION

Staff respectfully recommends the City Council:

1. Select one of the top applicants to be appointed to fill the vacancy on the City Council, and
2. Approve the attached Draft Resolution No. 22-2020, with the selected appointee's name inserted, and
3. Confirm the Oath of Office for the appointee will be at the beginning of the next regularly scheduled meeting of the City Council on September 28, 2022, allowing the newly sworn Member of the City Council to be seated at the dais at that time and participate in the remaining items of the Agenda that evening.

Agoura Hills City Council Application - Greg Eisenman

WHY DO YOU WISH TO SERVE THE CITY?

My family and I relocated to Agoura Hills two years ago, in the middle of the pandemic. We moved here with the idea of living in a safe, quiet place with fantastic schools and a sense of community. It has proved to provide our entire family with those qualities and more. In serving the city, I hope to preserve these great qualities, as well as to help usher the city into a prosperous future. We plan to live here for the long-term and want to ensure that our three-year-old daughter and our 13-year-old son grow up in a community they can feel proud of, be included in and most importantly, feel safe in.

DESCRIBE HOW YOUR EXPERIENCE AND/OR EDUCATION MAKES YOU AN IDEAL CANDIDATE FOR THE CITY COUNCIL.

In my career, my roles have always revolved around being part of a team and presenting analytical data in a compelling and simple-to-understand way to ensure my clients and counterparts feel at ease with their decision-making. Knowing how to work with others, make compelling and educated arguments and being open to hearing and understanding a variety of opinions has been great preparation for what I anticipate the council experience would be like. These strong qualities are fueled by my experience and educational background in entertainment, marketing and sales. These experiences have taught me how to analyze complex situations, tell compelling stories and work together closely with others on a variety of projects.

IN YOUR OPINION WHAT ARE THE MOST IMPORTANT ISSUES FACING THE CITY OF AGOURA HILLS AND WHAT ARE YOUR SUGGESTIONS ON HOW TO ADDRESS THOSE ISSUES?

There are a few issues that I believe will pose the greatest challenge to the city of Agoura Hills.

First, would be housing and affordability. With the possibility of new assembly bills requiring all cities to increase housing development, it's something that will need to be addressed in the near future. If these bills become a reality, a thoughtful, pragmatic approach to development is going to be key. Ensuring that we fulfill required obligations without overpopulating our town, streets and losing the small community feel we have, which is unusual in Los Angeles.

Second, would be getting the community back together. One of our original reasons for wanting to move here was the small-town feel and sense of community. I love our movie nights and concerts in the park throughout the summer. But I believe that the city could do a better job of keeping everyone connected throughout the year. The pandemic has gotten many of us used to staying in our homes and communicating less with neighbors and friends. I'd love to see more community action and events to get us out of our homes and spending time together.

Third, I'd love to see us encourage small business growth and be a destination for quality businesses. Our family loves to eat, loves great coffee and we often find ourselves having to venture outside the community to find these quality places. Even if it's only to Westlake or Thousand Oaks or Calabasas, we'd love to see more quality stores and healthy, fast casual restaurants open in Agoura Hills.

WHAT VISION DO YOU HAVE FOR THE FUTURE OF THE CITY OF AGOURA HILLS?

For the most part, my goals would be to keep Agoura Hills similar to how it is now. The charm of the town is the small-town feel it provides, while still being close to greater Los Angeles and close enough to Ventura and Santa Barbara. By providing incentives for businesses, quality shops and restaurants, greater community involvement and engagement while maintaining our current safe, small-town feel, will be key to a prosperous future for the city.

WHAT POSITIVE CONTRIBUTIONS HAVE YOU MADE TO THE LOCAL COMMUNITY?

We've only been Agoura Hills residents for two years. So far, our contributions to this community have revolved around our son, Jake. He participates in the Lindero Canyon Middle School Theater program, which we have sponsored and provided hours of volunteer time toward. He also participates in a local, non-profit theater program, Youth Musical Theater, which we also contribute and volunteer our time to. One of the reasons for applying for this City Council position is to increase my ability to have a positive impact on the community.

Outside of Agoura Hills, I have volunteered and contributed toward many great programs and causes. I taught community college classes at Valley College for more than five years. I've served as a key member of the Board of Directors for a large non-profit, Tierra Del Sol Foundation, which services developmentally disabled adults in the greater Los Angeles community. I also coached and volunteered for hundreds of hours over the course for six years at Sherman Oaks Little League. This was my favorite and probably the most-rewarding experience of my life. An activity I hope to get involved with again, as soon as my daughter is old enough to participate.

WHAT IS YOUR EXPERIENCE WORKING AS A TEAM MEMBER OR COLLABORATOR?

My entire career has been based around working as part of a team, as both a collaborator and a leader. I currently oversee seven different teams in my role at Gallagher, as well as mentor six of our younger professionals. As a leader, I preach attention to detail, accountability and open communication. As a collaborator, I try to instill and practice the same qualities that I preach. Coaching my son's baseball team for six years was one of the most impactful experiences of my life. Funny enough, coaching, teaching and collaborating with young ones can teach you a lot more than you think about how you approach working with adults. To me, it was a free education on open communication, clarity, checking-in, following-up and being amenable to each individual person's needs and communication style.

PLEASE PROVIDE ANY ADDITIONAL INFORMATION OR COMMENTS YOU FEEL WOULD ASSIST CITY COUNCIL IN CONSIDERING YOUR APPLICATION.

Over the past six years, our country, especially from a political standpoint, has become incredibly fractured. There is too much fighting, dishonesty, finger-pointing and not enough communication and collaboration. Above all else, I think the best quality I can bring to the table is my ability to listen, be pragmatic, collaborate and be open to others opinions, even if I disagree with them. What you can always count on from me is an honest, straightforward opinion on any topic. Additionally, you would have a partner that is not afraid to hold everyone accountable for their words, actions and treatment of others. Fair and equitable treatment of all is something I feel incredibly passionate about and something I consider in every action I take.

ARE YOU CURRENTLY A RESIDENT OF AGOURA HILLS? Yes HOW MANY YEARS? 10

WHY DO YOU WISH TO SERVE THE CITY? I would like to represent this thriving city in LA county. I have lived in Agoura Hills for 10 years. The opportunity to be part of the City Council is one I would not pass up. To have a voice in the decisions we make for our residents is critical to continue the flourishing of Agoura Hills, and especially in the areas of schools, housing, local businesses, and accessibility. I consider Agoura Hills a shining example of diversity, equity, and equality, and I hope to help improve and represent our community.

DESCRIBE HOW YOUR EXPERIENCE AND/OR EDUCATION MAKES YOU AN IDEAL CANDIDATE FOR THE CITY COUNCIL. I hold my BA & MA from Cal State schools. In addition I am a Healthcare Administrator, currently overseeing the operation of a multi level of care campus in the Valley for the past 10 years. The campus is home to over 300 residents of different levels of care and 300 employees, which on a daily basis I oversee a "Village." My experience in care has led me to apply for the Agoura City Council, as I interact with many stakeholders; residents, staff, families, Medical providers, professional vendors, and County, State, and Federal governing agencies on a daily basis.

IN YOUR OPINION WHAT ARE THE MOST IMPORTANT ISSUES FACING THE CITY OF AGOURA HILLS AND WHAT ARE YOUR SUGGESTIONS ON HOW TO ADDRESS THOSE ISSUES? I want to ensure affordable living, diversity, and living suitability. I want to attract new 1st time buyers to our city, ensure quality education, keep accessibility to our main fare ways, ensure safety during emergency situations, and develop our community. As homelessness becomes a wider concern in smaller suburbs, I want to ensure we have a plan and course of action on how to help these incoming people. Possibly, organizing volunteer opportunities through local schools to help our community.

WHAT VISION DO YOU HAVE FOR THE FUTURE OF THE CITY OF AGOURA HILLS? To maintain the reputation of a well balanced environment from perspective of not only residents, families, and business, but new residents and new families, as we are hoping to be constantly welcoming. We have a welcoming community, public amenities, and events, and I believe it is crucial to make all the efforts to ensure our local events, environment, and community is showcased.

WHAT POSITIVE CONTRIBUTIONS HAVE YOU MADE TO THE LOCAL COMMUNITY? I have been the secretary for Agoura High School water polo board and secretary for LA water polo also out of Agoura Hills. I am currently a board member of OPUSD Sports Board. I am a proud home owner in Agoura Hills and shop very locally. I think it is important to support community events such as Concerts in the Park, Reyes Adobe Days, and the Great Race. I always shop locally to continue to keep our businesses thriving and active.

WHAT IS YOUR EXPERIENCE WORKING AS A TEAM MEMBER OR COLLABORATOR? As the Executive Director of a Senior living community, I am part of a team. We have to make collaborative team decisions to ensure the best care and quality of our residents and staff. For 20 years I have made the effort to take a team approach at every meeting. I have worked with a variety of people, and I believe that a team approach guarantees the best outcome.

Application continued on next page.

PLEASE PROVIDE ANY ADDITIONAL INFORMATION OR COMMENTS YOU FEEL WOULD ASSIST CITY COUNCIL IN CONSIDERING YOUR APPLICATION. I have a unique position in this community as my two sons attend Oak Park and Agoura High,

One of my sons works in a district elementary school, my other works in a local grocery store. My spouse is an artist who participates in local galleries and art events.

I am uniquely qualified, as I have work experience related to oversight, management, and board positions. Not only have I worked for a board locally, I am also the fourth regional CAHF chair.

Above all, I am very passionate about what I do, and in my professional career and in my communal life, this is the perfect time for me to collaborate and give back to this wonderful community that has given me and my family so much.

Adam McArthur
Application for City Council Appointment

QUESTION 1: WHY DO YOU WISH TO SERVE THE CITY?

I loved Agoura Hills long before I moved here. Its small-town charm stands in contrast to the neighboring cities. I have always believed in public service and can't think of a better way to serve the public than to help balance the priorities of all of Agoura's residents. I believe that my experience and perspective can help Agoura maintain its authenticity in a way that supports the residents and stakeholders who call Agoura home.

QUESTION 2: DESCRIBE HOW YOUR EXPERIENCE AND/OR EDUCATION MAKES YOU AN IDEAL CANDIDATE FOR THE CITY COUNCIL.

I have a financial background, having previously been a partner with two large accounting firms and am an owner of a business located within Agoura Hills. I also served the local schools and school board and am currently the treasurer of the campaign committee for Measure S. I serve as an expert witness and arbitrator, where I am often tasked with weighing conflicting opinions and personalities in way that results in fairness to the parties involved.

QUESTION 3: IN YOUR OPINION WHAT ARE THE MOST IMPORTANT ISSUES FACING THE CITY OF AGOURA HILLS AND WHAT ARE YOUR SUGGESTIONS ON HOW TO ADDRESS THOSE ISSUES?

- (A) **Increasing presence of homeless** – work with the county and private entities to help find resources for those who are currently displaced and living in the city.
- (B) **Crime** - collaborate with the Sheriff's department to work on ways to increase patrols, to help educate residents on how to protect themselves and their property. Work with community organizers to develop citizen watch groups.
- (C) **Disagreements over proposed developments** – I will be an accessible voice for Agoura's residents and actively participate in promoting responsible development within the city to allow for a sustainable future for Agoura.
- (D) **Increasing number of sober living and residential treatment facilities in family neighborhoods within the city** – I understand the City Councils are somewhat tied with banning such houses, but I would work with residents, city officials, and center owners to be sure that all such establishments are properly maintained, are not in violation and are held to the standards they are required to follow.

QUESTION 4: WHAT VISION DO YOU HAVE FOR THE FUTURE OF THE CITY OF AGOURA HILLS?

I would like to see Agoura maintain its charm and small-town feeling, while balancing the needs to support our local businesses. I envision the city continuing to work with our local schools to maintain the high level of public education that creates demand for Agoura real estate.

QUESTION 5: WHAT POSITIVE CONTRIBUTIONS HAVE YOU MADE TO THE LOCAL COMMUNITY?

I served the families of Willow as treasurer for three years, taking over after a prior treasurer left the position in the middle of the year, leaving the books in disarray. I was able to quickly and efficiently get the financials cleaned up, get teachers reimbursed and vendors paid.

I serve on the LVUSD Measure E Oversight Committee, where I work diligently to review the district's expenditures and make sure that the funds generated from Measure E are spent in a way that is consistent with guidelines of the measure in order to ensure that the taxpayers' funds are used appropriately. Currently I serve as the treasurer for the Measure S bond campaign being supported by LVUSD, which hopes to raise funds needed to improve and maintain the schools that serve Agoura and the surrounding communities.

I was the co-president of the Agoura High School Lacrosse Boosters and currently sit on the board of directors for Agoura Youth Lacrosse, where I am working to help bring and expand a sport for Agoura's children. I have served as an adventure guides leader, helping run and organize events for the benefit of Agoura's youth.

QUESTION 6: WHAT IS YOUR EXPERIENCE WORKING AS A TEAM MEMBER OR COLLABORATOR?

Being a partner at both large accounting firms (500+ Partners) and small consulting firms with three partners, serving as treasurer of a local PFA, and working as a booster club co-president, I have a proven track record of working and leading teams both large and small. I am able to work closely and cordially with others who hold different opinions and have been able to collaborate and drive forward towards a common goal, even in situations where myself and my collaborators believe in taking different roads. As an expert witness, I am often tasked with serving as a neutral arbitrator and balancing conflicting opinions and expectations. In all of these situations, I strive to treat my collaborators with the utmost respect.

FIRST NAME: Murtaza LAST NAME: Mogri

BUSINESS NAME: Kaiser Permanente OCCUPATION: Clinical Informatics

BUSINESS ADDRESS: 1950 Franklin St, Oakland, CA 94612

ARE YOU CURRENTLY A RESIDENT OF AGOURA HILLS? Yes HOW MANY YEARS? 5

WHY DO YOU WISH TO SERVE THE CITY? I would like to serve our community to help protect, for generations to come, what makes our beautiful Agoura Hills community so unique, including our open space & small town feel. I love listening and interacting with our community members to learn about their concerns and to do what I can to make sure they are considered in complex decision making, whether on the Planning Commission or through other advocacy. As an Eagle Scout, I am dedicated to public service.

DESCRIBE HOW YOUR EXPERIENCE AND/OR EDUCATION MAKES YOU AN IDEAL CANDIDATE FOR THE CITY COUNCIL. In my 4th year on our city's Planning Commission, and as past Chair, I have gained a deep understanding of land use in our city and interacted with residents across the city to ensure that I am best representing them. With a PhD in Bioengineering and project work at the Boston Consulting Group, I have significant experience in analyzing complex issues, and can help bring more tech jobs to our city. My experience at startups provides me with an understanding of what small businesses face.

IN YOUR OPINION WHAT ARE THE MOST IMPORTANT ISSUES FACING THE CITY OF AGOURA HILLS AND WHAT ARE YOUR SUGGESTIONS ON HOW TO ADDRESS THOSE ISSUES? Issues / Solutions: protecting open space and small-town feel, while meeting state mandates (appropriate housing decisions as city is doing); declining school enrollment (family-friendly environment with parks, arts/culture; attract tech jobs); Kanan traffic (collaborate with Oak Park & schools); providing workforce housing (leveraging In lieu funds); growing senior population (more opportunities to bring seniors together); struggling small businesses (improved business directory & publicity).

WHAT VISION DO YOU HAVE FOR THE FUTURE OF THE CITY OF AGOURA HILLS? Vision: An Agoura Hills with its open space & small-town feel preserved, more high-paying tech jobs, increase in families with school-going children to counter declining enrollment, workforce housing in the appropriate location that aligns with our community design, greater support for our Seniors and small businesses, and improved traffic flow.

WHAT POSITIVE CONTRIBUTIONS HAVE YOU MADE TO THE LOCAL COMMUNITY? Along with service on the Planning Commission, I advocate for our community through public comment (e.g. Woolsey Fire listening session) & engaging in voter outreach. I leverage social media to inform (e.g. updates on evacuations). I organized the 2020 Conejo Valley Women's Suffrage Celebration, co-hosted by LWV-VG & others, that celebrated our many local women in elected office (speakers included Congressmembers, State Representatives, and local Mayors). Volunteered at annual Creek Clean Ups.

WHAT IS YOUR EXPERIENCE WORKING AS A TEAM MEMBER OR COLLABORATOR? Throughout my career - including in academia, industry, & public service I have worked well on a multitude of teams. Our Planning Commission, where I served as a Member and as Chair, has worked well together (see attached support letter from Commissioner Anderson). When I was the Product Manager for Medtronic Diabetes's flagship medical technology, I generated consensus within a highly interdisciplinary team to ensure we met the patients' needs.

Application continued on next page.

PLEASE PROVIDE ANY ADDITIONAL INFORMATION OR COMMENTS YOU FEEL WOULD ASSIST CITY COUNCIL IN CONSIDERING YOUR APPLICATION. As is evidenced by my list of supporters, I have developed relationships across our

city and with neighboring communities and electeds through outreach and by listening to the needs and concerns of the community.

Prior to the pandemic, I attended city council meetings in person, especially when land issues were on the agenda, and continue to watch most meetings online. I also attend

most planning related public forums -- those held by the city, as well as forums held by project applicants. More awards and activities:

Letters of Support

Subject: Murtaza Mogri

We first met this fine, dedicated gentleman as a Planning Commissioner for his beloved City of Agoura Hills. He greatly impressed us with his patience & willingness to listen, and listen carefully, before he contributed to any discussion. We noted his excellent communication skills, and his integrity, accompanied by a good sense of humor. Certainly important character traits, with our City having a diverse population. We came away, that very first evening, saying that he was going to go far in our local politics. He keeps up to date on everything-Agoura Hills and is a conscientious hard worker.

We support his desire to become a valuable member of our Council.

Application for Appointment for Vacant Seat to Agoura Hills City Council

August 29, 2022

Answers to questions since my computer makes the answers so small to read

Why do you wish to serve the City: I am a 41 year ~~old~~ resident of Agoura prior to the inception of cityhood. I have raised my family. My children attended the Las Virgenes Schools. I am a physician, Neurologist. I also received a Bachelor of Arts and Master of Arts from UCLA in the field of Biogeography with specialization in plant, animal and political geography with urban planning classes. I ran for office of City Council ~~person~~^{person} three times. I am an advocate for my patients, family, and our city since its inception. I was there when we broke away from Los Angeles County and why we established our City in 1982. I have the passion and dedication to serve.

Describe how your experience and or education makes you an ideal candidate for the City Council

Education graduate degree and undergraduate degree from UCLA Biogeography

Pushing for dark skies ordinance and or guidance for Old Agoura and light ordinances based on our observatory in our backyard in Old Agoura

Involved in the grandfather clause of preserving animal keeping areas adjacent to new development

Inclusion of llamas and alpacas to the animal code. The code prior was exclusive of other domestic animals. Animal keeping areas such as Old Agoura make us unique

Involved in many battles of not building a prison on the Chesbro Canyon site, involved in keeping homes from now Fran Pavley meadow and providing more open space within our boundaries

I am also an advocate for the American Academy of Neurology and have attended over 10 years of Neurology on the Hill meeting with congressman senators on policies affecting the patient who suffers from Neurologic disorders i.e Alzheimer's disease, seizures, Parkinson's disease and extending telemedicine for those who can't reach their doctor easily (the extension is over the COVID 19 pandemic parameters).

I also ran for City Council position three times. I applied for the Planning Commission once.

What are the most important issues facing the city of Agoura Hills?

Sensible development and maintaining our legacy. Protecting our citizens from crime. Preserving our environment.

What positive contributions have you made to the local community?

Idea of dark skies in Old Agoura and hopefully setting the light ordinance policies throughout the City

Grandfathering of animal keeping areas next to new development

Re: Vacant Seat on Agoura Hills City Council

Also, the inclusion of llamas and alpacas as part of the animal ordinance the original animal code left out other domestic animals i.e. llamas and alpacas. These animals are quiet, odorless, excellent manure for fertilizing, and protects against coyotes. Good balance.

Also was there for the major issues including the meetings prior to City Hood in 1982, keeping the prison away from the Chesbro Canyon Site, supportive of open space, and sensible development.

Experience working as a team member.

I am a team member for the American Academy of Neurology and Neurology on the Hill. I have gone multiple times to Washington DC representing my patients and the Academy. I have helped the local community in support of projects that keep Agoura Hills unique and growing sensibly over the last 40 years.

IN YOUR OPINION WHAT ARE THE MOST IMPORTANT ISSUES FACING THE CITY OF AGOURA HILLS AND WHAT ARE YOUR SUGGESTIONS ON HOW TO ADDRESS THOSE ISSUES? At present, implementation of the Affordable Housing Overlay and insuring compliance with State rules and mandates,

WHAT VISION DO YOU HAVE FOR THE FUTURE OF THE CITY OF AGOURA HILLS? The City continuing to be an attractive place for families to locate, and supporting considered development of the parcels still available. Insuring public safety through our relationships with the LASD and Fire Department.

WHAT POSITIVE CONTRIBUTIONS HAVE YOU MADE TO THE LOCAL COMMUNITY? I have served on the Planning Commission (and sub-committees thereof) for more than ten years.

WHAT IS YOUR EXPERIENCE WORKING AS A TEAM MEMBER OR COLLABORATOR? During my tenure on the Planning Commission, I was a consensus builder, soliciting, including and implementing the opinions of fellow commissioners to produce the best outcomes.

Application continued on next page.

PLEASE PROVIDE ANY ADDITIONAL INFORMATION OR COMMENTS YOU FEEL WOULD ASSIST CITY COUNCIL IN CONSIDERING YOUR APPLICATION. I will NOT be a candidate for the 2024 general election. If appointed, my

intention is to serve only the unexpired term. I believe incumbency is such a powerful platform, that all Agoura Hills citizens having
interest in running for this seat in 2024 should have a level playing field, with no incumbent having that significant advantage. In recent
years, incumbents have always been re-elected. I think it preferable that the full election process play out in 2024 with candidate
forums, Acorn interviews, meetings with homeowners and door-to-door visits, culminating with an election without incumbency.

HOW MANY YEARS? 24

WHY DO YOU WISH TO SERVE THE CITY?

I have always enjoyed being an active participant in our community and I see this as a continuation of my support. I now have both the time and the energy to give a full commitment to all aspects of being a member of the City Council.

DESCRIBE HOW YOUR EXPERIENCE AND/OR EDUCATION MAKES YOU AN IDEAL CANDIDATE FOR THE CITY COUNCIL

For the past 24 years I have served Agoura Hills as a business owner and a community volunteer. To summarize, I have volunteered in youth organizations, parent faculty clubs at all school and district levels, Las Virgenes Unified School District ballot measure campaigns, and created Knowledge Counts Summer School. As the owner and Director of Knowledge Counts, I administered a summer school program for the entire LVUSD District. I am currently serving as Vice Chair of the Agoura Hills Planning Commission. These experiences give me a deep understanding of the character and culture of our community. I appreciate the time and effort required to become an effective city council member and I have demonstrated I can make that commitment.

IN YOUR OPINION WHAT ARE THE MOST IMPORTANT ISSUES FACING THE CITY OF AGOURA HILLS AND WHAT ARE YOUR SUGGESTIONS ON HOW TO ADDRESS THOSE ISSUES?

Public safety, traffic, housing and the continuing threats of drought and wildfires are among the greatest challenges facing our city.

Robberies and burglaries are growing concerns in our community, especially with our senior residents. We need to provide more information through city programs on how to promote safety and home security.

The City's most recent traffic study confirms daily traffic congestion during school hours is an issue that needs immediate attention. My established relationship with LVUSD makes me the perfect team player to work on school traffic issues. Additionally, when we get the new bike lanes in place, we should work with our families to encourage their students to bike to school rather than drive.

Agoura's population is aging, and it is essential to encourage housing for families with school-age children. Without increased enrollment, we stand to lose the excellence of our public schools, and with it the value of property in our community.

It is imperative that we work with our local water district to support their efforts to recycle and conserve water. We must persuade our residents that there are acceptable alternatives to grass lawns.

After the 2018 Woolsey Fire, our residents are now acutely aware of the dangers of wildfires. We must continue to enact programs to improve evacuation responses that protect our neighborhoods and stress the importance of home hardening.

One of the best ways to resolve community issues is through communication with all residents. It is vital we keep everyone in our city well informed about progress being made in all these areas. We must work to ensure that facts stay ahead of the misinformation that causes fear, distrust, and division.

WHAT VISION DO YOU HAVE FOR THE FUTURE OF THE CITY OF AGOURA HILLS?

The ideal future of Agoura Hills is to maintain the wonderful family-oriented community we have today. We must continue to lead by example in adopting new ways to protect the environment and to preserve our surrounding wildlife and their natural habitats. At the same time, we must welcome responsible development and explore opportunities to enhance revenue streams for the city.

WHAT POSITIVE CONTRIBUTIONS HAVE YOU MADE TO THE LOCAL COMMUNITY?

My volunteer work has made a difference to my community. Over the past 20 plus years, I have volunteered as a Cub Scout leader; Girl Scout leader; and PFC President at Willow Elementary School, Lindero Canyon Middle School, and Agoura High School. In addition, I have worked on many committees for the Las Virgenes Unified School District, including as a founding Board Member of the Las Virgenes Special Education PTA.

After our youngest child graduated from Agoura High School, I created my own business, Knowledge Counts, to provide the Summer School program for our local high school students. Knowledge Counts operated for seven years and reached enrollment of 1,300 students.

I served as an alternate Board Member for the Agoura Hills Calabasas Community Center. I was the volunteer coordinator for the most recent school bond measure in Spring 2020. In the summer of 2020, during the height of the Covid restrictions, I worked for the Census Bureau in a local field office. Currently, I act as Vice-Chair of the Agoura Hills Planning Commission.

WHAT IS YOUR EXPERIENCE WORKING AS A TEAM MEMBER OR COLLABORATOR?

From my professional days working as a film editor in post-production to working most recently for the Census Bureau, I have always been part of a team. I strive to be a consensus-builder and always seek a common ground with my colleagues. Running a daily summer school program required effective communication skills, resolving school-related parent-teacher conflicts, maintaining a strong sense of campus security, supervising staff meetings, along with mitigating teacher and staff employment issues.

PLEASE PROVIDE ANY ADDITIONAL INFORMATION OR COMMENTS YOU FEEL WOULD ASSIST CITY COUNCIL IN CONSIDERING YOUR APPLICATION.

I was born in London, England, and grew up in Jamaica. I graduated from Sussex University (England) with a Bachelor of Arts in American Studies. I arrived in Los Angeles in 1977 working in the editing department of a feature film and have lived in California ever since. I became an American Citizen in 1994. My husband, Don Sylvester, and I moved our family to Agoura Hills in 1998 so that our two children could grow up in a family neighborhood and attend excellent public schools. I love to travel, but Agoura Hills is my home. I want to continue to help create the community that we all want to live in.

To Whom it May Concern,

As the Assistant Superintendent/Chief Business Officer for LVUSD, I am pleased to offer this letter of recommendation for Tina Wilkie. I have known Tina since the Fall of 2020 when she started as a Credential Analyst for our Center for Educational Excellence. Since that time, I have interacted with her in an assortment of professional settings and have been continually impressed by her competence, relational capacity, and communication skills.

Over the past two years, Tina has supported the growth of our five credential programs to a statewide program. Her daily responsibilities involve contracts, MOUs, payment collections, ordering, budgeting, and credential recommendations. She works independently and supports a collaborative team of adjunct faculty and staff. She has thrived in learning and growing our systems of support for both staff and program candidates. Tina is very well liked and serves as a positive face of our program for all of whom she interacts. She is tech savvy, efficient, solutions-oriented, and a quick learner.

If I had to capture the type of professional that Tina is in a few words, I would say that she is intellectually and emotionally intelligent, competent, passionate, balanced, and that she has a strong worth ethic. She is relatable, friendly, and easily connects with people. Despite her many strengths, Tina is humble, grounded, and committed to being a lifelong learner.

Very simply put, I have every confidence that Tina Wilkie will be a highly effective member of any organization. Through working with her, I am confident that Tina will handle any and all challenges she encounters with confidence, competence, and great skill. Her potential is unlimited and her professionalism is unquestionable.

If you have any questions, please do not hesitate to contact me.

Sincerely,
