

# WILDFIRES

Much of Agoura Hills is nestled at the base of the beautiful Santa Monica Mountains. Here in the City, homeowners enjoy the beauty of the environment but also face the very real danger of wildfire. Agoura Hills is also in a Very High Fire Hazard Severity Zone. Reduce your risk of fire hazards by prepping your home to be fire-resistant. Learn about weed and brush abatement near homes that border green belts and vegetation.

## **Wildfire Checklist:**

- Contact family members and make sure they are ready to leave
- Put personal belonging and documents in your vehicle
- Cover windows, attic openings, eaves, and vents with fire-resistant material
- Close all windows and doors around your home
- Move furniture away from windows and sliding glass doors to avoid them igniting from the fire's radiant heat
- If you have children at school, follow the School's Disaster Plan
- Follow the evacuation plan instructions and directions from Public Safety Personnel
