DESCANSO GARDENS * AGES 50+

Taking registrations now! Descanso Gardens will be bathed in gorgeous color during the evening we will be attending in December when we attend the exciting holiday light show. There will be ten unique lighting experiences that illuminate some of Descanso's most beloved locations, including the Oak Grove and the Camellia Forest. We will stroll along a one-mile walk way through the gardens to see these large-scale displays. Many of these displays are interactive; allowing visitors to manipulate the lights and sounds. The walk concludes with a spectacular light display in the iconic Japanese Garden, which in 2018 celebrated its 50th anniversary. You may walk at your own speed and stop for coffee and cocoa or a light snack along the way. Seating is available for resting and people watching. We ran this excursion in 2018 and sold out of tickets. Sign up early if you wish to attend. There are many new surprises this year that we haven't seen in the light displays. We will be having an early dinner before the show. Meal is not included in the price of this trip. REASONABLE ACCOMMODATIONS

Payment by: Cash Check Charge

The City of Agoura Hills provides a variety of programs, activities, and classes for all members of the community, including children, teens, and adults with special needs. Parents wishing to enroll their child with special needs or specific accommodations in any of our programs, activities, and/or classes should make sure to let the Department of Community Services know in advance of registering so that requests can be accommodated. Those parents will be contacted by the Department of Community Services staff so that reasonable accommodations can be made to accommodate the inclusion of their special needs child. Because of the limited staff ratio, it is usually required that a child with special needs be accompanied by an aide or caregiver, depending on the severity of the disability.
