

# RESIDENTIAL REFUSE RATES 2023

The following information reflects new residential trash rates effective January 1, 2023, as established by the residential solid waste residential agreement with G.I. Industries. These rates will remain in effect until December 31, 2023.

Residents have the option to select from six service levels that best meet their needs. Condo and town home residents have three options available to them. Check with your HOA concerning size and storage capacity limitations.

Residential homes current using bin service (3 cubic yard bins, etc) for their refuse needs may see a reduction in their monthly trash bill by switching to curbside service used in combination with the new 96 gallon manure cart.

Curbside Service	Trash Cart	Recycle Cart	Yard Cart	Monthly Rate			
Minican	Blue 32	Grey 64	Green 96	\$ 21.14			
Level 1	Blue 64	Grey 64	Green 96	\$ 29.35
