JOB ADDRESS
OR TRACT NO. _____

BUILDING PERMIT NO. _____

OWNER: _____

LAND DEV. PERMIT NO. _____

ROUGH GRADING CERTIFICATE

(A) BY SOILS ENGINEER

I certify that the rough grading work incorporates all recommendations contained in the report or reports for which I am responsible and all recommendations that I have made based on field inspection of the work and testing during grading operation. I further certify that where the reports of an Engineering Geologist, relative to this site, have recommended the installation of buttress fills or other similar stabilization measures, such earthwork construction has been completed in accordance with the approved design.

Lot Nos. _____

See report dated _____ for test data, recommended allowable soil bearing values and other special recommendations.

Remarks _____

Engineer _____ Reg. No. _____ Date _____

(B) BY ENGINEERING GEOLOGIST

I certify that the rough grading work incorporates all of the recommendations contained in the report or reports for which I am responsible and all recommendations that I have made based on field inspection of the work during grading.

Lot Nos. _____

Remarks _____

Eng. Geologist _____ Cert. No. _____ Date _____

Continued on page 2.....

(C) BY SUPERVISING CIVIL ENGINEER

I certify to the satisfactory completion of rough grading including: grading of approximate final elevations, property lines located and staked, cut and fill slopes correctly graded and located in accordance with the approved design, swales and terraces graded and ready for paving, berms installed, and required drainage slopes provided on the building pads. I further certify that where report or reports of an Engineering Geologists and/or Soils Engineer have been prepared relative to this site, the recommendations contained in such reports have been incorporated in the design.

Lot Nos. _____

Remarks _____

Engineer _____ R.C.E. _____ Date _____

(D) BY PUBLIC WORKS INSPECTOR

I acknowledge the above described work.

(Signature) _____ Date _____

NOTE: SIGNATURES FOR ITEM (A), (B), (C) AND (D) ARE REQUIRED PRIOR TO BUILDING PERMIT ISSUANCE.

FINE GRADING CERTIFICATE

(E) BY SUPERVISING CIVIL ENGINEER

I certify to the satisfactory completion of grading in accordance with the approved plans. All drainage devices required by the Grading Permit, grading plans and Grading Ordinance have been installed. Erosion treatment of slopes and irrigation systems (where required) have been installed. Adequate provisions have been made for drainage of surface waters from each building site, except where building permits have been issued.
