

REPORT TO CITY COUNCIL

DATE: JUNE 14, 2023

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: NATHAN HAMBURGER, CITY MANAGER

BY: JESSICA FORTE, DIRECTOR OF PUBLIC WORKS/CITY ENGINEER

SUBJECT: APPROVAL OF AGREEMENT WITH PRECISION CONCRETE CUTTING TO PERFORM CITYWIDE CONCRETE INFRASTRUCTURE ASSESSMENT

Each year a sidewalk improvement project is performed to reduce tripping hazards and broken or failing concrete throughout our public walkways. In order to assure the funds identified in this program are used in the most efficient manner, staff is recommending a concrete infrastructure assessment report be prepared. The City's last assessment was performed in 2014.

On October 28, 2020, the City Council approved Ordinance No. 20-454, authorizing several updates to the City's competitive purchasing provisions. Specifically, the ordinance allows the use of "piggy backing" of a purchase and/or service that is awarded on the same general terms as that of another public agency. This ordinance was adopted on November 10, 2020, and took effect on December 10, 2020.

On February 15, 2023, the California Joint Powers Insurance Authority (JPIA) entered into an agreement with Precision Concrete Cutting to establish an agreed-upon set of services and related costs in order to allow JPIA members access to professional sidewalk inspection and maintenance services. Staff recommends piggy backing on this specific agreement, because the City's sidewalk inspection and maintenance policy has been developed using the JPIA guidance and templates. Therefore, the scope of work used to secure competitive bids is intrinsically consistent with the City's own policy.

The cost of the proposed Concrete Infrastructure Assessment is \$455 per sidewalk mile as established in the California JPIA agreement with Precision Concrete Cutting. Based on approximately 126 sidewalk miles, the cost for the assessment will be \$57,330. The Capital Improvement Program in the proposed Fiscal Year 2023-2024 budget identifies local Measure R funding for this work, with no General Funds being required.

If approved, this effort will start in July and it is expected to take approximately two months for inspections to be completed and for a report to be submitted to the City. This report will then be used to establish the locations of hazard removals and confirm the appropriate budget thresholds are being identified in the City 5-Year Capital Improvement Program.

The development of this assessment was supported by the Public Works Subcommittee at its May 23, 2023, meeting.

RECOMMENDATION

Staff respectfully recommends the City Council:

1. Authorize the Mayor to sign the agreement with Precision Concrete Cutting to perform Concrete Infrastructure Assessment.
2. Authorize the City Engineer to sign Change Orders up to 10% of the Contract Cost.

1. TERM

This Agreement shall commence on July 1, 2023, and shall remain and continue in effect until tasks described herein are completed, but in no event later than June 30, 2024, unless sooner terminated pursuant to the provisions of this Agreement.

2. SERVICES

Contractor shall perform the services and tasks described and set forth in Exhibit A, attached hereto and incorporated herein as though set forth in full. Contractor shall complete the tasks according to the schedule of performance which is also set forth in Exhibit A.

3. PERFORMANCE

In meeting its obligations under this Agreement, Contractor shall at all times faithfully and competently perform all tasks described herein in a manner satisfactory to CITY and consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions.

4. PREVAILING WAGES

A. Prevailing wages are required on all CITY agreements involving construction, design, and preconstruction phases of construction (including, but not limited to, inspection and land surveying work), and maintenance (except for janitorial or security guards) for work on CITY property.

B. Pursuant to the provisions of Section 1773 of the Labor Code of the State of California, the City Council has obtained the general prevailing rate of per diem wages and the general rate for holiday and overtime work in this locality for each craft, classification, or type of workman needed to execute by this Contractor from the Director of the Department of Industrial Relations. Copies may be obtained from the California Department of Industrial Relations Internet website at <http://www.dir.ca.gov>. Contractor shall provide a copy of prevailing wage rates to any staff or sub-contractor hired, and shall pay the adopted prevailing wage rates as a minimum. Contractor shall comply with the provisions of Sections 1773.8, 1775, 1776, 1777.5, 1777.6, and 1813 of the Labor Code. Pursuant to the provisions of 1775 of the Labor Code, Contractor shall forfeit to the City, as a penalty, the sum of \$50.00 for each calendar day, or portion thereof, for each laborer, worker, or mechanic employed, paid less than the stipulated prevailing rates for any work

done under this contract, by him or by any sub-contractor under him, in violation of the provisions of the Agreement..

5. PAYMENT

A. The City agrees to pay Contractor monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, Payment Rates and Schedule, attached hereto and incorporated herein by this reference as though set forth in full, based upon actual time spent on the above tasks. Any terms in Exhibit B other than the payment rates and schedule of payment are null and void. This amount shall not exceed **Fifty-Seven Thousand Three Hundred Thirty Dollars and Zero Cents (\$57,330.00)** ("Contract Price") for the initial Term of the Agreement unless additional payment is approved as provided in this Agreement.

B. Contractor shall not be compensated for any services rendered in connection with its performance of this Agreement which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager. Contractor shall be compensated for any additional services in the amounts and in the manner as agreed to by the City Council and Contractor at the time City's written authorization is given to Contractor for the performance of said services.

C. Contractor shall submit invoices monthly for actual services performed. Invoices shall be submitted between the first and fifteenth business day of each month, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. For all reimbursements authorized by this Agreement, Contractor shall provide receipts on all reimbursable expenses in excess of Fifty Dollars (\$50) in such form as approved by the Director of Finance.

6. SUSPENSION OR TERMINATION OF AGREEMENT WITHOUT CAUSE

A. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Contractor at least ten (10) days prior written notice. Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

B. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Contractor the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination of the Agreement pursuant to this Section, the Contractor will submit an invoice to the City pursuant to Section entitled "**PAYMENT**" herein.

7. DEFAULT OF CONTRACTOR

A. The Contractor's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Contractor is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Contractor for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Contractor. If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.

B. If the City Manager or his delegate determines that the Contractor is in default in the performance of any of the terms or conditions of this Agreement, it shall serve the Contractor with written notice of the default. The Contractor shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement."

8. OWNERSHIP OF DOCUMENTS

A. Contractor shall maintain complete and accurate records with respect to sales, costs, expenses, receipts and other such information required by City that relate to the performance of services under this Agreement. With respect to computer files containing data generated for the work, Contractor shall make available to the City, upon reasonable written request by the City, the necessary computer software and hardware for purposes of accessing, compiling, transferring and printing computer files.

9. INDEMNIFICATION

Contractor shall defend, indemnify, and hold the City, its officials, officers, employees, agents and independent Contractors serving in the role of City officials, and volunteers (collectively "Indemnitees") free and harmless from any and all claims, demands, causes of action, proceedings, costs, expenses, liabilities, losses, damages or injuries, in law or equity, to property or persons, including wrongful death (collectively "Claims"), in any manner arising out of or incident to any acts or omissions of Contractor, its officials, officers, employees, agents or sub-contractor in connection with the performance of this Agreement, including without limitation the payment of all consequential damages, attorneys' fees, and other related costs and expenses, except for such Claims arising out of the sole negligence or willful misconduct of the Indemnitees. With respect to any and all such Claims, Contractor shall defend Indemnitees at Contractor's own cost, expense, and risk and shall pay and satisfy any judgment, award, or decree that may be rendered against Indemnitees. Contractor shall reimburse Indemnitees for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by Contractor or Indemnitees. All duties of Contractor under this Section shall survive termination of this Agreement.

10. INSURANCE REQUIREMENTS

Prior to commencement of work, Contractor shall procure, provide, and maintain, at Contractor's own expense, for the duration of this Agreement, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

A. Minimum Scope of Insurance. Coverage shall be at least as broad as:

1) Insurance Services Office Commercial General Liability form No. CG 00 01 11 85 or 88, or equivalent.

2) Insurance Services Office Business Auto Coverage form CA 00 01 06 92, or equivalent, covering Automobile Liability, code 1 (any auto). If the Contractor owns no automobiles, a non-owned auto endorsement to the General Liability policy described above is acceptable.

3) Worker's Compensation insurance as required by the State of California and Employer's Liability Insurance. If the Contractor has no employees while performing under this Agreement, worker's compensation insurance is not required, but Contractor shall execute a declaration that it has no employees.

B. Minimum Limits of Insurance. Contractor shall maintain limits no less than:

1) General Liability: \$1,000,000 per occurrence for bodily injury, personal injury and property damage, including without limitation, blanket contractual liability. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

2) Automobile Liability: \$1,000,000 per accident for bodily injury and property damage for all activities of the Contractor arising out of or in connection with work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rental vehicles.

3) Worker's Compensation as required by the State of California; Employer's Liability: One million dollars (\$1,000,000) per accident for bodily injury or disease.

C. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City Manager. At the option of the City Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its officers, officials, employees and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

D. Requirements Not Limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Vendor maintains higher limits than the minimums shown above, the Agency requires and shall be entitled to coverage for the higher limits maintained by the Vendor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Agency.

E. Other Insurance Provisions. The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

1) The City, its officers, officials, employees and volunteers are to be covered and named as additional insureds in respect to: liability arising out of activities performed by or on behalf of the Contractor; products and completed operations of the Contractor; premises owned, occupied or used by the Contractor; or automobiles owned, leased, hired or borrowed by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to the City, its officers, officials, employees or volunteers.

2) For any claims related to this project, the Contractor's insurance coverage shall be primary insurance as respects the City, its officers, officials, employees and volunteers. Any insurance or self-insured maintained by the City, its officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

3) Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, officials, employees or volunteers.

4) The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5) Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to the City. Contractor agrees to oblige its insurance agent or broker and insurers to provide City with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.

F. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City. Self insurance shall not be considered to comply with these insurance requirements.

G. Verification of Coverage. **Contractor shall furnish the City with original endorsements, specifically naming the City of Agoura Hills, its officers, officials, employees and volunteers as additional insured, effecting coverage required by this clause.** The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms acceptable to the City. Insurance certificates and endorsements must be received and approved by City's Risk Manager prior to commencement of performance. Current insurance certificates and endorsements shall be kept on file with the City at all times during the term of this agreement. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

Notwithstanding any other agency, state, or federal policy, rule, regulation, statute, or ordinance to the contrary, Contractor and any of its officers, employees, agents, and subcontractors providing any of the services and tasks under this Agreement shall not become entitled to, and hereby waive any claims to, any wages, salaries, compensation, benefit, or any incident of employment by City, including, but not limited to, eligibility to enroll in, or reinstate to membership in, the California Public Employees Retirement System ("PERS") as a City employee, and entitlement to any contribution to be paid by City for employer contributions or employee contributions for PERS benefits.

D. Contractor shall indemnify and hold harmless City and its elected officials, officers, employees, servants, designated volunteers, and agents serving as independent contractors in the role of City officials, from any and all liability, damages, claims, costs, and expenses of any nature to the extent arising from, caused by, or relating to Contractor's personnel practices, or to the extent arising from, caused by, or relating to the violation of any of the provisions of this Section. In addition to all other remedies available under law, City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under this Section. This duty of indemnification is in addition to Contractor's duty to defend, indemnify, and hold harmless as set forth in any other provision of this Agreement.

Without limitation to the foregoing, Contractor shall assure compliance with regard to personnel who have active or inactive membership in PERS and to those who are retired annuitants and in performing this Agreement shall not assign or utilize any of its personnel in a manner that will cause City to be in violation of the applicable retirement laws and regulations.

City retains the right, but has no obligation, to represent Contractor and/or be present at any deposition, hearing or similar proceeding. Contractor agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Contractor.  - a. The specific hazard height – both high side and low side measurement – in 8ths of an inch
 - b. The actual length of the repair to the nearest 1/2 foot.

The billing unit for invoice calculation shall be the number of locations where one (1) location is up to 5 lineal feet.

9. CONTRACTOR shall guarantee specified repair slope (1:12 or 1:8 based upon requirements outlined by the Americans with Disabilities Act) is achieved. If defined slope is not achieved, CONTRACTOR must repair to specification at no additional charge within 24 hours of discovery.

Sidewalk repair equipment and all other items incidental to the work shall not be left or stored on the sidewalk or on private property while not in use.

14. CONTRACTOR shall take precautions during saw cutting operations not to disfigure, scar, or impair the health of any tree on public or private property.

15. CONTRACTOR shall inspect and report only those sidewalk conditions and trip hazards as specified in the performance in this AGREEMENT, and therefore makes no representation that other trip hazards outside the scope of work have been identified. CONTRACTOR shall not be responsible for conditions outside the control of CONTRACTOR that have changed after completion of the inspections due to tree roots, water, settling, and other causes, and shall not be liable for any claims, losses, or damages arising from known or unknown trip hazards. Additionally, CONTRACTOR shall carry out authorized remediation and repair work as specified in the performance of this AGREEMENT, and based on locations either identified through their inspection process or identified separately from the CONTRACTOR'S inspection process. CONTRACTOR shall be responsible for removal of all trip hazards that have been identified and authorized through the performance of this AGREEMENT. CONTRACTOR shall not be responsible for trip hazards that arise after completion of the remediation and repair work as specified in the performance of this AGREEMENT due to conditions outside the control of CONTRACTOR, such as tree roots, water, settling, and other causes.
