

REPORT TO CITY COUNCIL

DATE: JULY 12, 2023

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: NATHAN HAMBURGER, CITY MANAGER

BY: JESSICA FORTE, DIRECTOR OF PUBLIC WORKS/CITY ENGINEER

SUBJECT: REQUEST TO APPROVE THREE AMENDED USE AND MAINTENANCE AGREEMENTS WITH THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT FOR THE DRY WEATHER DIVERSION PROJECT

The City Council approved three (3) Use and Maintenance Agreements (UMAs) with the Los Angeles County Flood Control District (LACFCD) for the Dry Weather Diversion Project on October 26, 2022. The fully executed UMAs were required prior to the issuance of the construction permits for the project.

The LACFCD recently notified staff that the original agreements contained a clerical error. Specifically, Section 5.2 omitted the maximum one hundred and twenty (120) days the City has to remedy any breaches with the terms and conditions of the agreement. Other than some minor formatting corrections, the agreements remain the same as previously approved.

The amended agreements have been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

Staff respectfully recommends the City Council approve the Amended Use and Maintenance Agreements with the Los Angeles County Flood Control District for the Dry Weather Diversion Project.

SECTION 5: Termination of AGREEMENT

- 5.1. The DISTRICT shall have the right to terminate this AGREEMENT by giving the CITY at least one hundred twenty (120) days prior written notice, under the following conditions:
 - 5.1.1. The DISTRICT proposes a project for flood control, water conservation and/or any other use or purpose authorized by the Los Angeles County Flood Control Act; and
 - 5.1.2. The DISTRICT determines, in good faith, that the IMPROVEMENTS or any portion thereof, would be substantially incompatible with the DISTRICT's proposed project; and
 - 5.1.3. The DISTRICT has notified the CITY of the basis for the DISTRICT'S determination that a substantial incompatibility will exist and has provided the CITY with a reasonable opportunity to propose modifications to the IMPROVEMENTS that will eliminate the incompatibility; and

- 5.2. The DISTRICT shall have the right to terminate this AGREEMENT in the event the CITY breaches any term or condition of this AGREEMENT and fails to cure such breach or breaches within a reasonable amount of time up to a maximum of one hundred twenty (120) days from the date the DISTRICT provides written notice of said breach or breaches to the CITY. - 3.10. If the CITY fails to perform any maintenance activities as provided for in this AGREEMENT in a timely manner, the DISTRICT reserves the right to remedy any such maintenance deficiency that the DISTRICT determines impairs the functioning of the DISTRICT FACILITIES or the DISTRICT's flood protection activities. However, prior to taking any action to remedy any such maintenance deficiency, the DISTRICT shall provide written notice to the CITY of the deficiency. If the CITY fails to correct the deficiency within thirty-five (35) days from the date of the notice or such longer period as the DISTRICT, in its sole discretion may agree to, the DISTRICT shall thereafter be entitled to correct the deficiency. - 4.2. This AGREEMENT shall expire at the end of the Initial Term provided; however, the Chief Engineer of the DISTRICT or his designee may extend the term of this AGREEMENT, beyond the Initial Term, up to ten (10) years, subject to such terms and conditions as they deem appropriate, upon receipt of a written request from the CITY, no earlier than twelve (12) months or later than six (6) months prior to the end of the Initial Term.

SECTION 5: Termination of AGREEMENT

- 5.1. The DISTRICT shall have the right to terminate this AGREEMENT by giving the CITY at least one hundred twenty (120) days prior written notice, under the following conditions:
 - 5.1.1. The DISTRICT proposes a project for flood control, water conservation and/or any other use or purpose authorized by the Los Angeles County Flood Control Act; and
 - 5.1.2. The DISTRICT determines, in good faith, that the IMPROVEMENTS or any portion thereof, would be substantially incompatible with the DISTRICT's proposed project; and
 - 5.1.3. The DISTRICT has notified the CITY of the basis for the DISTRICT'S determination that a substantial incompatibility will exist and has provided the CITY with a reasonable opportunity to propose modifications to the IMPROVEMENTS that will eliminate the incompatibility; and
 - 5.1.4. After consideration of any such modifications proposed by the CITY, the DISTRICT, in its sole but reasonable discretion, determines not to incorporate any such modifications or determines that, notwithstanding any such modifications, a substantially incompatibility would still exist.

- 5.2. The DISTRICT shall have the right to terminate this AGREEMENT in the event the CITY breaches any term or condition of this AGREEMENT and fails to cure such breach or breaches within a reasonable amount of time up to a maximum of one hundred twenty (120) days from the date the DISTRICT provides written notice of said breach or breaches to the CITY. Upon receipt of a written notice of breach, the CITY shall, within thirty (30) days of the date of the written notice, send the DISTRICT a written response describing the corrective measures that the CITY proposes to implement. The PARTIES shall thereafter promptly meet and confer, in good faith, to reach agreement on the corrective measures. The CITY shall not implement any corrective measure until it has been approved and agreed upon by the DISTRICT.
- 5.3. The DISTRICT shall have the right to terminate this AGREEMENT if construction of the PROJECT has not been completed within five (5) years from the date this AGREEMENT is fully executed or the PERMIT expires, whichever comes first.
- 5.4. The DISTRICT shall have the right to suspend or terminate this AGREEMENT in the DISTRICT's sole discretion, in the event the DISTRICT determines, in good faith, that it is necessary for the DISTRICT to enter and take exclusive possession of the DISTRICT FACILITIES or any portion thereof, in order to respond to an emergency as defined in Public Contract Code Section 1102.
- 5.5. The CITY shall have the right to terminate this AGREEMENT for any reason, by giving the DISTRICT at least sixty (60) days prior written notice, subject to the CITY's obligation to remove the IMPROVEMENTS described in Section 6, below.

SECTION 6: Removal of IMPROVEMENTS and Restoration of the DISTRICT FACILITIES

- 6.3. If the CITY fails to comply with the DISTRICT's notice referred to in subsection 6.1, the DISTRICT may, in its sole discretion, remove any or all IMPROVEMENTS referenced in the DISTRICT's notice to the CITY.
- 6.4. If the DISTRICT removes any IMPROVEMENTS pursuant to subsection 6.3, the DISTRICT may submit a billing invoice to the CITY indicating the costs and expenses reasonably incurred by the DISTRICT in connection with the removal of the IMPROVEMENTS and the CITY shall reimburse the DISTRICT all such costs and expenses within one hundred and twenty (120) days of the CITY's receipt of a billing invoice from the DISTRICT.

SECTION 7: Miscellaneous Provisions

- 7.1. Damage to DISTRICT FACILITIES or PROJECT
 - 7.1.1. If any components of the PROJECT are damaged by any negligent act or omission of the DISTRICT, the DISTRICT shall repair and replace those components within a reasonable time frame after discovery or notice thereof. The DISTRICT shall be responsible for all costs related to these repairs and/or replacements.

7.3.4. Without limiting the CITY's indemnification of the DISTRICT, the CITY shall procure and/or maintain, in full force and effect during the term of this AGREEMENT, insurance policies or a program of self-insurance providing for the following coverage related to the IMPROVEMENTS:

- 5.2. The DISTRICT shall have the right to terminate this AGREEMENT in the event the CITY breaches any term or condition of this AGREEMENT and fails to cure such breach or breaches within a reasonable amount of time up to a maximum of one hundred twenty (120) days from the date the DISTRICT provides written notice of said breach or breaches to the CITY. Upon receipt of a written notice of breach, the CITY shall, within thirty (30) days of the date of the written notice, send the DISTRICT a written response describing the corrective measures that the CITY proposes to implement. The PARTIES shall thereafter promptly meet and confer, in good faith, to reach agreement on the corrective measures.
