Dear Community Member:

The Los Angeles County Fire Department is beginning Firewise USA® communities within Los Angeles County. The Firewise USA® recognition program is administered by the National Fire Protection Association (NFPA) and provides a collaborative framework to help neighbors in a geographic area get organized, find direction, and take action to increase the ignition resistance of their homes and community and reduce wildfire risks at the local level. The Firewise USA® program is part of Los Angeles County's efforts to ensure communities are prepared against wildfire. Becoming a Firewise USA® recognized community also allows for potential insurance discounts.

Ventura County Fire Department (along with LA County Fire) will be hosting a free Firewise USA® workshop:

Ventura County Regional Firewise Workshop
August 17, 2023, 8am to 12pm
Ventura County Office of Education
5100 Adolfo Road, Camarillo, CA 93012

At the workshop, staff from CAL FIRE, NFPA, VCFD, Fire Safe Councils, and California Department of Insurance, will have presentations on What Firewise USA® is, the benefits of becoming a Firewise USA® community, how you can make your homes safer from wildfire, and how to improve your community.

Please [RSVP](#) so we can update you with any information regarding the workshop.
