User Guide

User Access

- The new Public Safety Partner Portal is a **single destination** to find PSPS information not available to the public on SCE.com.
- Information is divided into three sections:
 - **Planning (Pre-event)**
 - **Active PSPS events**
 - **Archive of past PSPS events**
- The Public Safety Partner Portal is available to **CPUC defined Public Safety Partners** and **Critical Infrastructure Customers** (with different levels of access)
- Information a user will see will be specific to the Partner based on their login credentials
- To gain access to the Portal, Partners will need to **register and accept a user agreement**
- The Portal will not replace the existing PSPS REST service
