Attention: Mayor Anstead and all Councilmembers,

I am sorry that I am not able to personally attend the November 8th council meeting. I will however attempt to appear by Zoom. In my stead will be Anthony Delcau, a partner on this project, as well as Cory Anttila, our architect.

I appreciate all council members taking the time to learn about our proposed project on Canwood Street and expressing any relevant feedback. I look forward to creating a development on this site in which the community will take pride.

If you have any questions, I will attempt to answer them by Zoom.

Thank you very much,

Bill Tucker
