## SENIOR EXCURSION: GOURMET DINNER - RANCH HOUSE \* AGES 50+

Nestled in the scenic hills of Ojai, the Ranch House Restaurant began its history as one of the first homes built in the Ojai Valley, and started out as a boarding house in 1875. It was once a vegetarian establishment where everything came from their own garden, but eventually meat, fish, and poultry were added to the menu to ensure more financial success. They still insist upon maintaining their original creed of "No freezers and no fryers." Every ingredient is still fresh and mostly from their own garden, with all of their breads and desserts made in house. Their wine list has merited many awards, including the "Wine Spectator" award for being one of the top cellars in the world. The Ranch House serves lovely, delicious food and wine in a beautiful setting - come and join us for a truly gourmet dinner! You will see why Conde Nast has deemed it one of the top 100 romantic restaurants in the world. Meal is not included in the price of the trip. Expect to pay \$40-\$50 for your meal (Cash only). "My name is Aditya Ram, and I am currently a freshman at Agoura High School. I am an accomplished Chess player with a USCF (United States Chess Federation) rating of 1800 and a Chess.com rapid rating of 2200. I have been studying and playing the game of chess for over ten years and I am very passionate about sharing that knowledge through teaching chess at the Agoura Hills Recreation and Event Center. I have participated in several National Chess tournaments throughout the US and have won several tournaments in the Southern California Region."

Aditya approached the Department of Community Services with a proposal to teach Chess to youth and seniors. Aditya started teaching on his own to the different age groups. Since then, Aditya continues to teach weekly lessons and we have acquired two wonderful volunteers who have joined us in teaching weekly chess lessons to the community. The City of Agoura Hills appreciates Aditya for sharing and teaching his knowledge and passion of the game of chess.

## REASONABLE ACCOMMODATIONS

The City of Agoura Hills provides a variety of programs, activities, and classes for all members of the community, including children, teens, and adults with special needs. Parents wishing to enroll their child with special needs or specific accommodations in any of our programs, activities, and/or classes should make sure to let the Department of Community Services know in advance of registering so that requests can be accommodated. Those parents will be contacted by the Department of Community Services staff so that reasonable accommodations can be made to accommodate the inclusion of their special needs child. Because of the limited staff ratio, it is usually required that a child with special needs be accompanied by an aide or caregiver, depending on the severity of the disability.
