

REPORT TO CITY COUNCIL

DATE: FEBRUARY 14, 2024

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: NATHAN HAMBURGER, CITY MANAGER

BY: JESSICA FORTE, DIRECTOR OF PUBLIC WORKS/CITY ENGINEER

SUBJECT: APPROVE AWARD OF AN AGREEMENT FOR CONTRACTOR SERVICES WITH RON'S MAINTENANCE SERVICES FOR STORM DRAIN CONNECTOR PIPE SCREEN AND FILTER INSPECTION/ CLEANING SERVICES

On May 1, 2008, the Regional Water Quality Control Board adopted a resolution to incorporate a revised Total Maximum Daily Load (TMDL) for trash in the Malibu Creek Watershed. The Trash TMDL is part of a series of strict water quality regulatory requirements designed to protect municipal and domestic water supplies, groundwater recharge, aquatic life habitat, wildlife habitat, and both contact and non-contact water recreation uses in the watershed. As part of those requirements, the TMDL set the numeric limit for trash allowed to be discharged into a water body, shoreline, or channel at zero.

To date, the City of Agoura Hills has installed connector pipe screens and filters in 442 catch basins throughout the city, in order to be deemed compliant with the trash TMDL. Regular maintenance of these installations is necessary to keep them operating effectively.

On June 8, 2023, the City received three proposals from United Storm Water, Inc. (United Storm), Downstream Services, Inc., and Panico Excavation in order to provide inspection and cleaning services for the retrofitted catch basins. The cost proposals received per catch basin were as follows:

United Storm	\$ 180.00
Downstream Services, Inc.	\$ 198.00
Panico Excavation	\$1,250.00

The low bid proposal received exceeded the past contract of \$55 per catch basin by over 300%. The City rejected all three proposals under section IV. A of the Request for Proposals (RFP).

As the services are necessary for the proper operation of our storm drain system, staff contacted the previous provider, Ron's Maintenance Services, who had not formally bid. A contract under \$25,000 was awarded, under our City Manager authority, to provide the pre-storm season cleaning, and staff continued to negotiate for the agreement presented at this time.

Agoura Hills Municipal Code (AHMC) Article 2, Chapter 7 allows the recommended negotiated contract. Specifically, AHMC Section 2704(a)(2) allows for the City to “piggyback” when the purchase is awarded on the same general terms as that of another public agency that competitively bid the same service, supplies, or equipment. AHMC Section 2704(a)(3) allows for those services to be purchased at the same prices, terms, and conditions as a previous award from the City or another government entity.

The City of Palos Verdes Estates entered into a similar 3-year agreement with Ron’s Maintenance Services on December 5, 2023, at a cost of \$64.00 per catch basin unit, following their competitive bid process.

Ron’s Maintenance Services has provided catch basin cleaning services for the City for over five (5) years and has a record of great performance. Therefore, staff recommends entering into a contract at the rate of \$64/unit which would expire on June 30, 2026, and offer a single two-year extension. The limit for the full term of the contract would be \$201,100.

The proposed agreement for contractor services has been reviewed by the City Attorney and approved as to form.

FISCAL IMPACT

Sufficient funding for these services is appropriated annually. The FY 2023-24 and FY 2024-25 Storm Drain Maintenance Account (010-4525-5520.41) budget includes funding for the remainder of this fiscal year and for the next fiscal year. These services will continue to be budgeted annually into the future.

RECOMMENDATION

Staff respectfully recommends the City Council approve the Agreement for Contractor Services with Ron ‘s Maintenance Services for Storm Drain Connector Pipe Screen and Filter Inspection/Cleaning Services.

1. TERM

5. PAYMENT

A. The City agrees to pay Contractor monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, Payment Rates and Schedule, attached hereto and incorporated herein by this reference as though set forth in full, based upon actual time spent on the above tasks. Any terms in Exhibit B other than the payment rates and schedule of payment are null and void. A. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Contractor at least ten (10) days prior written notice. Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

B. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Contractor the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination of

the Agreement pursuant to this Section, the Contractor will submit an invoice to the City pursuant to Section entitled "**PAYMENT**" herein.

A. The Contractor's failure to comply with the provisions of this Agreement shall constitute a default. If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.

B. If the City Manager or his delegate determines that the Contractor is in default in the performance of any of the terms or conditions of this Agreement, it shall serve the Contractor with written notice of the default. The Contractor shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement."

With respect to any and all such Claims, Contractor shall defend Indemnitees at Contractor's own cost, expense, and risk and shall pay and satisfy any judgment, award, or decree that may be rendered against Indemnitees. Contractor shall reimburse Indemnitees for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by Contractor or Indemnitees. All duties of Contractor under this Section shall survive termination of this Agreement.

10. INSURANCE REQUIREMENTS

Prior to commencement of work, Contractor shall procure, provide, and maintain, at Contractor's own expense, for the duration of this Agreement, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

1) General Liability: \$1,000,000 per occurrence for bodily injury, personal injury and property damage, including without limitation, blanket contractual liability. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

At the option of the City Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its officers, officials, employees and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

D. Requirements Not Limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Vendor maintains higher limits than the minimums shown above, the Agency requires and shall be entitled to coverage for the higher limits maintained by the Vendor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Agency.

The coverage shall contain no special limitations on the scope of protection afforded to the City, its officers, officials, employees or volunteers.

2) For any claims related to this project, the Contractor's insurance coverage shall be primary insurance as respects the City, its officers, officials, employees and volunteers. Any insurance or self-insured maintained by the City, its officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

3) Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, officials, employees or volunteers.

4) The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5) Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to the City. Contractor agrees to oblige its insurance agent or broker and insurers to provide City with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.

F. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City. Self insurance shall not be considered to comply with these insurance requirements.

G. Verification of Coverage. **Contractor shall furnish the City with original endorsements, specifically naming the City of Agoura Hills, its officers, officials, employees and volunteers as additional insured, effecting coverage required by this clause.** The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms acceptable to the City. Insurance certificates and endorsements must be received and approved by City's Risk Manager prior to commencement of performance. Current insurance certificates and endorsements shall be kept on file with the City at all times during the term of this agreement. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

In addition to all other remedies available under law, City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under this Section. This duty of indemnification is in addition to Contractor's duty to defend, indemnify, and hold harmless as set forth in any other provision of this Agreement.

Without limitation to the foregoing, Contractor shall assure compliance with regard to personnel who have active or inactive membership in PERS and to those who are retired annuitants and in performing this Agreement shall not assign or utilize any of its personnel in a manner that will cause City to be in violation of the applicable retirement laws and regulations.
