By 1931, three more wings were added, which included a Spanish wing, a Rotunda, and a Cloister wing. The Mission Inn is a lovely place to stay, and many celebrities are spotted here. In fact, the Inn has been home to Presidents Roosevelt, Taft, Hoover, Nixon, and Reagan. SENIOR EXCURSION: SCHINDLER HOUSE AND TAM O'SHANTER * AGES 50+

Rudolph Schindler was an Austrian American architect who worked with Frank Lloyd Wright and did much of the design of the Hollyhock House. Built in 1922 as his personal residence, the Schindler House has a very unconventional design because it manifests both Schindler's European and American experiences. While responding to the specific climate of California, it calls upon both Japanese and Hispanic traditions. The integration of the building and landscape makes it arguably the most innovative residence in modern architecture. After our tour, we will be heading to the oldest continuously operating restaurant in Southern California - the Tam O'Shanter. We will enjoy a wonderful prime rib lunch with all the trimmings! Meal is included in the price of the excursion. NOTE: EXTENSIVE WALKING. ADA ACCESSIBLE. REFUNDS/TRANSFERS/CREDITS GRANTED ONLY IF YOUR SPOT CAN BE FILLED. SENIOR EXCURSION: MOORPARK TEACHING ZOO * AGES 50+

The Exotic Animal Training and Management (EATM) program was established as a major at Moorpark College in 1974 with one animal: "Kiska," the wolf. Additional animals were slowly added, and the lower compound was constructed to house all the animals. In 1990, the EATM compound was moved to a five-acre site overlooking all the Moorpark College campus. The animal collection has gradually grown over the years as animals were acquired through donations and breeding, loans from major zoos, and research centers. Animals range from marmosets, elephants, leopard geckos, alligators, and emus, to tigers, lions, hyenas, mountain lions, and many primates and birds. Moorpark has become a major learning institute for animal husbandry and veterinary study. After our tour, we will be lunching at Golden Panda Buffet in Simi. Meal is not included in the price of the excursion. NOTE: EXTENSIVE WALKING. ADA ACCESSIBLE. REFUNDS/TRANSFERS/CREDITS GRANTED ONLY IF YOUR SPOT CAN BE FILLED. REASONABLE ACCOMMODATIONS

The City of Agoura Hills provides a variety of programs, activities, and classes for all members of the community, including children, teens, and adults with special needs. Parents wishing to enroll their child with special needs or specific accommodations in any of our programs, activities, and/or classes should make sure to let the Department of Community Services know in advance of registering so that requests can be accommodated. Those parents will be contacted by the Department of Community Services staff so that reasonable accommodations can be made to accommodate the inclusion of their special needs child. Because of the limited staff ratio, it is usually required that a child with special needs be accompanied by an aide or caregiver, depending on the severity of the disability.
