Hello,

I wanted to express how wonderful the CRV Only Store, located on Kanan Road, has been ever since I've moved to Agoura Hills. This is a well run recycling location and I heavily rely on their services.

There was a time (a while back) when this location had to close down all recycling. It was a very inconvenient time and many residents in Agoura had a difficult time finding an alternate option. Having CRV Only Store has been a crucial part of my recycling here in the community. Do NOT take away this center from Agoura! We need it and so does the environment.

I hope my voice is heard in considering to approve a conditional use permit for the Recycling Center.

Sincerely,
An Agoura Hills resident since 2006
