## REASONABLE ACCOMODATIONS

The City of Agoura Hills provides a variety of programs, activities, and classes for all members of the community, including children, teens, and adults with special needs. Parents wishing to enroll their child with special needs or specific accommodations in any of our programs, activities, and/or classes should make sure to let the Department of Community Services know in advance of registering so that requests can be accommodated. Those parents will be contacted by the Department of Community Services staff so that reasonable accommodations can be made to accommodate the inclusion of their special needs child. Because of the limited staff ratio, it is usually required that a child with special needs be accompanied by an aide or caregiver, depending on the severity of the disability.
