We would like to update you about how AT&T is working to upgrade home phone service for our California customers who use traditional copper-based landlines. We want you to hear it from us—no customer is being left without service. We are not canceling home phone service in California.

Our customers will not lose access to phone service in their home.

We would like to hear your thoughts, and answer any questions you may have as it relates to keeping you connected.

Agoura Hills Community Room

30001 Ladyface Court
Agoura Hills, CA 91301

Thursday, April 25

5:00 – 7:00 p.m.

RSVP: attconnects.com/AgouraHills

Questions? visit our blog: attconnects.com/ModernizeCA
