SECLICKFIX

Have you ever seen an issue in the community and not known who to contact? We've made it simple, See it, Click it (our new Agoura Hills mobile

app) and we will Fix it. Download the FREE app (named SECLICKFIX) in the iTunes or Android store and you can report issues and request information from the City at your convenience. Your requests are marked with a GPS location and immediately reported to City staff so they can be resolved quicker than ever, with your help.

Our community is a great one to live, work, and play in but only because of the way our community works together! So See, Click, and we will Fix it together. For more information, contact Romero Adeva, Assistant City Manager at 818-597-7353 or radeva@agourahillscity.org.

REASONABLE ACCOMMODATIONS

The City of Agoura Hills provides a variety of programs, activities, and classes for all members of the community, including children, teens, and adults with special needs. Parents wishing to enroll their child with special needs or specific accommodations in any of our programs, activities, and/or classes should make sure to let the Department of Community Services know in advance of registering so that requests can be accommodated. Those parents will be contacted by the Department of Community Services staff so that reasonable accommodations can be made to accommodate the inclusion of their special needs child. Because of the limited staff ratio, it is usually required that a child with special needs be accompanied by an aide or caregiver, depending on the severity of the disability.
