

Construction Advisory

Wallis Annenberg Wildlife Crossing on Highway 101

May 10-17, 2024

This is a Caltrans update on project construction and impacts such as lane and ramp closures. To subscribe or unsubscribe to these ongoing updates, please see below.

ALL LANES WILL BE CLOSED on NORTHBOUND Highway 101 on Monday through Thursday nights, May 13-16, starting by 11:59 p.m., or earlier depending on traffic conditions. Southbound lanes are open at night. Northbound full closures are NOT scheduled on Friday night, May 10, or Friday night, May 17. Please see more information below.

CONSTRUCTION ACTIVITIES

- Night work is scheduled on May 13-16.
- Daytime work may take place on any day.
- The schedule is subject to change due to weather or operational reasons.

Crews are placing girders over the freeway at night. Girders are long reinforced concrete beams.

CLOSURES AND DETOURS

Caltrans will close all lanes on Northbound Highway 101 by 11:59 p.m. Monday through Thursday nights, May 13-16, at Liberty Canyon Road in Agoura Hills.

Detours are provided. See detour maps attached to this email.

Before you begin your travel, you can check current closures at QuickMap.dot.ca.gov (or use the free Quickmap app).

- Some lanes may begin closing as early as 7 or 8 p.m. (a partial freeway closure).
- A full freeway closure (all northbound lanes) will begin by 11:59 p.m. Monday through Thursday, May 13-16.
- Lanes will reopen daily by 5 a.m.
- Nightly closures on Northbound Highway 101 may continue through late May.

- Nightly full closures on Northbound Highway 101 are **NOT** planned on Friday, May 10; Friday, May 17; Saturdays or Sundays.
- The schedule is subject to change – including times and dates of closures.
- On nights when all northbound lanes are closed, southbound lanes will remain open for traffic.
- A **local street detour** is provided on Agoura Road as follows: Exit northbound 101 at Liberty Canyon Road and travel south on Liberty Canyon Road, west on Agoura Road, and north on Chesebro Road to the northbound 101 on-ramp.
- **To avoid delays on the local street detour, motorists traveling from the Los Angeles area are strongly encouraged to use an all-freeway detour via westbound State Route 118 to southbound State Route 23 to northbound Highway 101.**
- **The Northbound 101 Liberty Canyon on-ramp is closed continuously 24/7** for use as a staging area for large construction trucks. This closure may continue until approximately late May and is subject to change.

Daytime ramp closures will occur intermittently Mondays through Fridays:

- The Southbound 101 Liberty Canyon Off-Ramp may be closed intermittently between 9 a.m. and 3 p.m. Monday through Friday, and other hours and days as needed.

The schedule is subject to change due to weather or operational reasons.
