Dear Agoura City Council,

As a resident of Agoura Hills, I am writing to support Cronies Sports Grill's application to expand their drink menu. The Cronies story is a great local success story, which started with one small location and has expanded to five. This is a true "mom and pop" success story, and we should be supporting their continued growth and increased options for customers. I urge you to approve their application and help this local business thrive.

Thank you,

Ted Hunter
