

## REPORT TO CITY COUNCIL

**DATE:** AUGUST 28, 2024

**TO:** HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

**FROM:** NATHAN HAMBURGER, CITY MANAGER

**BY:** AMY BRINK, DIRECTOR OF COMMUNITY SERVICES  
JOHN TREICHLER, ADMINISTRATIVE ANALYST

**SUBJECT:** APPROVE AGREEMENT FOR CONTRACTOR SERVICES WITH BRYCO PLUMBING, INC. TO PERFORM EMERGENCY REPAIRS ON THE CHUMASH PARK RESTROOM

---

Chumash Park is the oldest park owned and operated by the City of Agoura Hills, who took ownership from the County of Los Angeles just after incorporation. The building and its infrastructure are more than forty years old. As the City prepares to replace the park restroom, which is scheduled to arrive later this Fall, it has become immediately necessary to replace the sewer system. The existing sewer system leaves the building and runs directly below the middle of the playground towards the south. The system was evaluated last year through a camera that provided footage identifying an infrastructure that is rusted, cracked, and antiquated. The failing system would need to be replaced to avoid further damage and to accommodate the new restroom system.

As the City prepares to complete the project this Fall, the restroom recently needed to be serviced. The maintenance contractor discovered and confirmed that the sewer line was in desperate need of replacement. The cracked lines and rusted infrastructure have led to a system that is backed up with a situation that poses a health risk to the community. The impact to the existing system now presents a possibility of hazardous material leaking to the surface, causing a greater health risk to the community. Furthermore, the situation presents a threat to the playground and the fibar material that serves as the footing and foundation to the play equipment.

The City needs to take emergency action to replace the system to avoid the health risk, hazardous material exposure, and negative impact to the environment, especially the playground footing. The action will also address the need to protect the flow of clean water in the park.

According to the California Uniform Construction Cost Accounting Commission, Section 22050, the City is permitted to "repair or replace a public facility, take any directly related and immediate action required by that emergency, and procure the necessary equipment, services, and supplies for those purposes, without giving notice for bids to let contracts." Staff received estimates of performing the work to replace the sewer system and is recommending Bryco Plumbing, Inc. to perform the work.

The proposed agreement has been reviewed by the City Attorney and approved as to form.

**FISCAL IMPACT**

The cost of the work being performed is quoted at \$40,652, therefore, the agreement will allow for a contingency and a not-to-exceed amount of \$55,000. The cost of the work can be covered by existing funds in this Fiscal Year 2024-25 Adopted Budget, Account Numbers 010-4450-5430 and 010-4450-5520.

**RECOMMENDATION**

Staff respectfully recommends that the City Council approve the Agreement for Contractor Services with Bryco Plumbing, Inc., to perform the work outlined in the agreement.

**1. TERM**

This Agreement shall commence on August 28, 2024, and shall remain and continue in effect until tasks described herein are completed, but in no event later than November 15, 2024, unless sooner terminated pursuant to the provisions of this Agreement.

**2. SERVICES**

Contractor shall perform the services and tasks described and set forth in Exhibit A, attached hereto and incorporated herein as though set forth in full. Contractor shall complete the tasks according to the schedule of performance which is also set forth in Exhibit A.

**3. PERFORMANCE**

In meeting its obligations under this Agreement, Contractor shall at all times faithfully and competently perform all tasks described herein in a manner satisfactory to CITY and consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing in the same locality under similar conditions.

**4. PREVAILING WAGES**

A. Prevailing wages are required on all CITY agreements involving construction, design, and preconstruction phases of construction (including, but not limited to, inspection and land surveying work), and maintenance (except for janitorial or security guards) for work on CITY property.

B. Pursuant to the provisions of Section 1773 of the Labor Code of the State of California, the City Council has obtained the general prevailing rate of per diem wages and the general rate for holiday and overtime work in this locality for each craft, classification, or type of workman needed to execute by this Contractor from the Director of the Department of Industrial Relations. Copies may be obtained from the California Department of Industrial Relations Internet website at <http://www.dir.ca.gov>. Contractor shall provide a copy of prevailing wage rates to any staff or sub-contractor hired, and shall pay the adopted prevailing wage rates as a minimum. Contractor shall comply with the provisions of Sections 1773.8, 1775, 1776, 1777.5, 1777.6, and 1813 of the Labor Code. Pursuant to the provisions of 1775 of the Labor Code, Contractor shall forfeit to the City, as a penalty, the sum of \$50.00 for each calendar day, or portion thereof, for each laborer, worker, or mechanic employed, paid less than the stipulated prevailing rates for any work

done under this contract, by him or by any sub-contractor under him, in violation of the provisions of the Agreement..

**5. PAYMENT**

A. The City agrees to pay Contractor monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, Payment Rates and Schedule, attached hereto and incorporated herein by this reference as though set forth in full, based upon actual time spent on the above tasks. Any terms in Exhibit B other than the payment rates and schedule of payment are null and void. This amount shall not exceed Fifty-Five Thousand Dollars and Zero Cents (\$55,000.00) ("Contract Price") for the initial Term of the Agreement unless additional payment is approved as provided in this Agreement.

The City Manager may approve additional work up to ten percent (10%) of the amount of the Agreement. Any additional work in excess of this amount shall be approved by the City Council.

B. Contractor shall not be compensated for any services rendered in connection with its performance of this Agreement which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager. Contractor shall be compensated for any additional services in the amounts and in the manner as agreed to by the City Council and Contractor at the time City's written authorization is given to Contractor for the performance of said services.

C. Contractor shall submit invoices monthly for actual services performed. Invoices shall be submitted between the first and fifteenth business day of each month, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. If the City disputes any of Contractor's fees, it shall give written notice to Contractor within thirty (30) days of receipt of an invoice of any disputed fees set forth on the invoice. For all reimbursements authorized by this Agreement, Contractor shall provide receipts on all reimbursable expenses in excess of Fifty Dollars (\$50) in such form as approved by the Director of Finance.

**6. SUSPENSION OR TERMINATION OF AGREEMENT WITHOUT CAUSE**

A. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Contractor at least ten (10) days prior written notice. Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement, such suspension or termination shall not make void or invalidate the remainder of this Agreement.

B. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Contractor the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination of

the Agreement pursuant to this Section, the Contractor will submit an invoice to the City pursuant to Section entitled "**PAYMENT**" herein.

**7. DEFAULT OF CONTRACTOR**

A. The Contractor's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Contractor is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Contractor for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Contractor. If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.

B. If the City Manager or his delegate determines that the Contractor is in default in the performance of any of the terms or conditions of this Agreement, it shall serve the Contractor with written notice of the default. The Contractor shall have ten (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement."

**8. OWNERSHIP OF DOCUMENTS**

A. Contractor shall maintain complete and accurate records with respect to sales, costs, expenses, receipts and other such information required by City that relate to the performance of services under this Agreement. Contractor shall maintain adequate records of services provided in sufficient detail to permit an evaluation of services. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Contractor shall provide free access to the representatives of City or its designees at reasonable times to such books and records, shall give City the right to examine and audit said books and records, shall permit City to make transcripts there from as necessary, and shall allow inspection of all work, data, documents, proceedings and activities related to this Agreement. Such records, together with supporting documents, shall be maintained for a period of three (3) years after receipt of final payment.

B. Upon completion of, or in the event of termination or suspension of this Agreement, all original documents, designs, drawings, maps, models, computer files containing data generated for the work, surveys, notes, and other documents prepared in the course of providing the services to be performed pursuant to this Agreement shall become the sole property of the City and may be used, reused or otherwise disposed of by the City without the permission of the Contractor. With respect to computer files containing data generated for the work, Contractor shall make available to the City, upon reasonable written request by the City, the necessary computer software and hardware for purposes of accessing, compiling, transferring and printing computer files.

## 9. INDEMNIFICATION

Contractor shall defend, indemnify, and hold the City, its officials, officers, employees, agents and independent Contractors serving in the role of City officials, and volunteers (collectively "Indemnitees") free and harmless from any and all claims, demands, causes of action, proceedings, costs, expenses, liabilities, losses, damages or injuries, in law or equity, to property or persons, including wrongful death (collectively "Claims"), in any manner arising out of or incident to any acts or omissions of Contractor, its officials, officers, employees, agents or sub-contractor in connection with the performance of this Agreement, including without limitation the payment of all consequential damages, attorneys' fees, and other related costs and expenses, except for such Claims arising out of the sole negligence or willful misconduct of the Indemnitees. With respect to any and all such Claims, Contractor shall defend Indemnitees at Contractor's own cost, expense, and risk and shall pay and satisfy any judgment, award, or decree that may be rendered against Indemnitees. Contractor shall reimburse Indemnitees for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by Contractor or Indemnitees. All duties of Contractor under this Section shall survive termination of this Agreement.

## 10. INSURANCE REQUIREMENTS

Prior to commencement of work, Contractor shall procure, provide, and maintain, at Contractor's own expense, for the duration of this Agreement, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the work hereunder by the Contractor, its agents, representatives, or employees.

A. Minimum Scope of Insurance. Coverage shall be at least as broad as:

1) Insurance Services Office Commercial General Liability form No. CG 00 01 11 85 or 88, or equivalent.

2) Insurance Services Office Business Auto Coverage form CA 00 01 06 92, or equivalent, covering Automobile Liability, code 1 (any auto). If the Contractor owns no automobiles, a non-owned auto endorsement to the General Liability policy described above is acceptable.

3) Worker's Compensation insurance as required by the State of California and Employer's Liability Insurance. If the Contractor has no employees while performing under this Agreement, worker's compensation insurance is not required, but Contractor shall execute a declaration that it has no employees.

B. Minimum Limits of Insurance. Contractor shall maintain limits no less than:

1) General Liability: \$1,000,000 per occurrence for bodily injury, personal injury and property damage, including without limitation, blanket contractual liability. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

2) Automobile Liability: \$1,000,000 per accident for bodily injury and property damage for all activities of the Contractor arising out of or in connection with work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rental vehicles.

3) Worker's Compensation as required by the State of California; Employer's Liability: One million dollars (\$1,000,000) per accident for bodily injury or disease.

C. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City Manager. At the option of the City Manager, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its officers, officials, employees and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

D. Requirements Not Limiting. Requirements of specific coverage features or limits contained in this Section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Vendor maintains higher limits than the minimums shown above, the Agency requires and shall be entitled to coverage for the higher limits maintained by the Vendor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Agency.

E. Other Insurance Provisions. The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

1) The City, its officers, officials, employees and volunteers are to be covered and named as additional insureds in respect to: liability arising out of activities performed by or on behalf of the Contractor; products and completed operations of the Contractor; premises owned, occupied or used by the Contractor; or automobiles owned, leased, hired or borrowed by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to the City, its officers, officials, employees or volunteers.

2) For any claims related to this project, the Contractor's insurance coverage shall be primary insurance as respects the City, its officers, officials, employees and volunteers. Any insurance or self-insured maintained by the City, its officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

3) Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the City, its officers, officials, employees or volunteers.

4) The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5) Each insurance policy required by this clause shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to the City. Contractor agrees to oblige its insurance agent or broker and insurers to provide City with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.

6) Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against the City, its elected or appointed officers, agents, officials, employees, and volunteers or shall specifically allow Contractor or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. Contractor hereby waives its own right of recovery against the City and shall require similar written express waivers and insurance clauses from each of its subcontractors.

F. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City. Self insurance shall not be considered to comply with these insurance requirements.

G. Verification of Coverage. **Contractor shall furnish the City with original endorsements, specifically naming the City of Agoura Hills, its officers, officials, employees and volunteers as additional insured, effecting coverage required by this clause.** The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms acceptable to the City. Insurance certificates and endorsements must be received and approved by City's Risk Manager prior to commencement of performance. Current insurance certificates and endorsements shall be kept on file with the City at all times during the term of this agreement. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

H. Mailing Instructions. Insurance documents shall be mailed with the signed Agreement to the attention of the staff person indicated on the cover sheet of this Agreement, to the City of Agoura Hills, 30001 Ladyface Court, Agoura Hills, CA 91301. Executed Agreement(s) cannot be released nor may any work commence on a project until the signed Agreement and appropriate insurance documents are on file with the City Clerk.

## 11. INDEPENDENT CONTRACTOR

The personnel performing the services and tasks under this Agreement on behalf of Contractor shall not be City employees and shall at all times be under Contractor's exclusive direction and control. Contractor and all of Contractor's personnel shall possess the qualifications, permits, and licenses required by state and local law to perform the services and tasks under this Agreement, including, without limitation, a City business license as required by the Agoura Hills Municipal Code. Contractor shall determine the means, methods, and details by which Contractor's personnel will perform the services and tasks. Contractor shall be solely responsible for the satisfactory work performance of all personnel engaged in performing the services and tasks, and compliance with the customary professional standards. Neither City nor any of its officers, employees, agents, or volunteers shall have control over the conduct of Contractor or any of Contractor's officers, employees, or agents.

B. Contractor shall not at any time or in any manner represent that it or any of its officers, employees, or agents are in any manner officers, employees, or agents of City. Contractor and Contractor's personnel shall not supervise any of City's employees; and City's employees shall not supervise Contractor's personnel. Contractor's personnel shall not wear or display any City uniform, badge, identification number, or other information identifying such individual as a City employee; and Contractor's personnel shall not use any City e-mail address or City telephone number in the performance of any of the services and tasks under this Agreement. Contractor shall acquire and maintain at its sole cost and expense such vehicles, equipment, and supplies as Contractor's personnel require to perform any of the services and tasks required by this Agreement. Contractor shall perform all services and tasks off of City premises at locations of Contractor's choice, except as otherwise may from time to time be necessary in order for Contractor's personnel to receive projects from City, review plans on file at City, pick up or deliver any work product related to Contractor's performance of any services and tasks under this Agreement, or as may be necessary to inspect or visit City locations and/or private property to perform the services and tasks. City may make a computer available to Contractor from time to time for Contractor's personnel to obtain information about, or to check on, the status of projects pertaining to the services and tasks performed under this Agreement. Contractor shall not incur or have the power to incur any debt, obligation or liability whatever against City, or bind City in any manner.

C. No employee benefits shall be available to Contractor in connection with the performance of this Agreement. Except for the fees paid to Contractor as provided in the Agreement, City shall not pay salaries, wages, or other compensation to Contractor for performing services and tasks hereunder for City. City shall not be liable for compensation or indemnification to Contractor for injury or sickness arising out of performing services and tasks hereunder. Contractor shall be responsible for and pay all salaries, wages, benefits and other amounts due to Contractor's personnel in connection with their performance of the services and tasks under this Agreement, and as required by law. Contractor shall be responsible for all reports and obligations respecting such additional personnel, including, but not limited to, Social Security taxes, other retirement or pension benefits, income tax withholding, unemployment insurance, disability

insurance, and workers' compensation insurance. Notwithstanding any other agency, state, or federal policy, rule, regulation, statute, or ordinance to the contrary, Contractor and any of its officers, employees, agents, and subcontractors providing any of the services and tasks under this Agreement shall not become entitled to, and hereby waive any claims to, any wages, salaries, compensation, benefit, or any incident of employment by City, including, but not limited to, eligibility to enroll in, or reinstate to membership in, the California Public Employees Retirement System ("PERS") as a City employee, and entitlement to any contribution to be paid by City for employer contributions or employee contributions for PERS benefits.

D. Contractor shall indemnify and hold harmless City and its elected officials, officers, employees, servants, designated volunteers, and agents serving as independent contractors in the role of City officials, from any and all liability, damages, claims, costs, and expenses of any nature to the extent arising from, caused by, or relating to Contractor's personnel practices, or to the extent arising from, caused by, or relating to the violation of any of the provisions of this Section. In addition to all other remedies available under law, City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under this Section. This duty of indemnification is in addition to Contractor's duty to defend, indemnify, and hold harmless as set forth in any other provision of this Agreement.

## **12. PERS COMPLIANCE AND INDEMNIFICATION**

A. General Requirements. The parties acknowledge that City is a local agency member of PERS, and as such has certain pension reporting and contribution obligations to PERS on behalf of qualifying employees. Contractor agrees that, in providing its employees and any other personnel to City to perform the services and tasks under this Agreement, Contractor shall assure compliance with the Public Employees' Retirement Law, commencing at Government Code Section 20000, the regulations of PERS, and the Public Employees' Pension Reform Act of 2013, as amended. Without limitation to the foregoing, Contractor shall assure compliance with regard to personnel who have active or inactive membership in PERS and to those who are retired annuitants and in performing this Agreement shall not assign or utilize any of its personnel in a manner that will cause City to be in violation of the applicable retirement laws and regulations.

B. Contractor shall promptly notify City should Contractor, its officers, employees, agents or sub-contractor be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under or with respect to any project or property located within the City. City retains the right, but has no obligation, to represent Contractor and/or be present at any deposition, hearing or similar proceeding. Contractor agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Contractor. ANY CHANGES IN THE SCOPE OF WORK OR EXTRA WORK MUST BE CONFIRMED IN WRITING BY BOTH THE CONTRACTOR AND HOMEOWNER IN ADVANCE OF THE WORK COMMENCING. EXTRA WORK OR A CHANGE ORDER IS NOT ENFORCEABLE AGAINST YOU UNLESS THE CHANGE ORDER ALSO IDENTIFIES ALL OF THE FOLLOWING IN WRITING PRIOR TO THE COMMENCEMENT OF ANY WORK COVERED BY THE NEW CHANGE ORDER: THE SCOPE OF WORK ENCOMPASSED BY THE ORDER; (II) THE AMOUNT TO BE ADDED OR SUBTRACTED FROM THE CONTRACT; AND (III) THE EFFECT THE ORDER WILL MAKE IN THE PROGRESS PAYMENTS OR THE COMPLETION DATE. HOWEVER, FAILURE TO COMPLY WITH THE REQUIREMENTS OF THIS PARAGRAPH DOES NOT PRECLUDE THE RECOVERY OF COMPENSATION FOR WORK PERFORMED BASED UPON LEGAL OR EQUITABLE REMEDIES DESIGNED TO PREVENT UNJUST ENRICHMENT.

#### **DOWNPAYMENT**

**THE DOWN PAYMENT MAY NOT EXCEED \$1,000 OR 10 PERCENT OF THE CONTRACT PRICE, WHICHEVER IS LESS.**

THE SCHEDULE OF PROGRESS PAYMENTS MUST SPECIFICALLY DESCRIBE EACH PHASE OF WORK, INCLUDING THE TYPE AND AMOUNT OF WORK OR SERVICES SCHEDULED TO BE SUPPLIED IN EACH PHASE, ALONG WITH THE AMOUNT OF EACH PROPOSED PROGRESS PAYMENT. IT IS AGAINST THE LAW FOR A CONTRACTOR TO COLLECT PAYMENT FOR WORK NOT YET COMPLETED, OR FOR MATERIALS NOT YET DELIVERED. HOWEVER, A CONTRACTOR MAY REQUIRE A DOWN PAYMENT.

**YOU, THE HOMEOWNER (BUYER) OR TENANT HAVE THE RIGHT TO REQUIRE THE CONTRACTOR TO FURNISH YOU WITH A PERFORMANCE AND PAYMENT BOND, HOWEVER THE CONTRACTOR CAN REQUIRE YOU TO PAY FOR THAT BOND.**

#### **INFORMATION ABOUT THE CONTRACTORS STATE LICENSE BOARD (CSLB)**

CSLB is the state consumer protection agency that licenses and regulates construction contractors. Contact CSLB for information about the licensed contractor you are considering, including information about disclosable complaints, disciplinary actions and civil judgments that are reported to CSLB. Use only licensed contractors. If you file a complaint against a licensed contractor within the legal deadline (usually four years), CSLB has authority to investigate the complaint. If you use an unlicensed contractor, CSLB may not be able to help you resolve your complaint. Your only remedy may be in civil court, and you may be liable for damages arising out of any injuries to the unlicensed contractor or the unlicensed contractor's employees.

#### **For more information:**
