

**DEPARTMENT OF PLANNING AND
COMMUNITY DEVELOPMENT**

TO: Planning Commission

FROM: Mike Kamino, Director of Planning and Community Development

SUBJECT: City Committee Appointments

DATE: January 4, 2007

Staff is requesting the selection of Planning Commission members to serve on the following City committees during the 2007 calendar year:

Art in Public Places Committee: (1 Commissioner)
General Plan Advisory Committee: (2 Commissioners)

The Art in Public Places Committee consists of one Planning Commissioner, two City Council Members (Mayor Pro Tem Edelston and Council Member Weber) and the Director of Planning and Community Development. The Committee meets on an as-needed basis to review and select public art proposals required for large development projects. The Committee generally meets four to five times per year, depending on the number and frequency of proposals submitted for review. Vice Chair Rishoff served on the Committee in 2006.

The General Plan Advisory Committee (GPAC) provides recommendations to the Planning Commission and City Council for revisions currently being considered to the Land Use and Circulation Elements of the General Plan. The Committee includes Council Members Schwarz and Weber, and appointed City residents and meets on an as-needed basis. As we enter the second phase of the General Plan Update, it is anticipated that the GPAC will meet approximately once each month. Chair Ramuno and Commissioner Zacuto served on the Committee in 2006.

Although two Planning Commissioners were selected to serve on the Agoura Village Task Force Committee in 2006, staff does not foresee a need for the Committee to meet in 2007. However, the Planning Commission will be informed if there is a need to select Planning Commissioners to serve on the committee in the future.

RECOMMENDATION

Staff recommends that the Planning Commission confirm the 2007 calendar year committee appointments.
