

**REVISED CONDITIONS OF APPROVAL**  
**(Case Nos. 05-ODP-001 AND 05-VAR-001)**

SPECIAL CONDITIONS

29. ~~The location, configuration, design, hours of operation, and the manner of operation of any on site valet parking shall be subject to review and approval by the City Traffic Engineer and the Director of Planning and Community Development.~~
29. The valet parking service designed by Walker and Associates, the applicant's consultant and revised by the City Traffic Engineer shall be permitted to remain in place until such time that substantive complaints are brought to the City's attention and/or that changes in the operation of the business, the valet parking service and other external changes occur and are deemed substantial by the City. At such time, additional review shall be required.
