DIVISION 8. TEMPORARY USES

9678. Temporary use permit; purpose.

The temporary use permit is established because certain temporary activities may be appropriate at specific locations, but would be inappropriate on a permanent basis. The intent of the temporary use permit is to provide for such temporary activities. It is further the intent to avoid incompatibility between such temporary uses and the surrounding area by regulating such short term land use activities to prevent or mitigate adverse effects associated with or resulting from such temporary uses. The maximum period for any temporary use permit shall be one (1) year, unless otherwise indicated in section 9678.1.

9678.1. Uses permitted subject to temporary use permit.

The following uses require a temporary use permit:

<u>A. </u>

- A. Temporary structures such as model homes, real estate sales offices,
 construction trailers and mobile homes used as residence during construction.
 These structures are allowed up to one year during the construction of a
 project when a valid building permit is in force.
- B. Seasonal sales lots such as Christmas tree and pumpkin lots are allowed for up to three months.
- C. Non-profit or community special events such as carnivals, fairs and festivals and other similar events conducted by or for a recognized nonprofit or charitable community group not over seventy-two (72) consecutive hours..
- D. Outdoor sales and special events by existing businesses in the City including parking lot sales. Only merchandise customarily sold on the premises by an existing established business shall be displayed and sold. Such events shall not exceed six (6) calendar days or two (2) events per calendar year.
- E. Storage of materials incidental to the carrying on of a City of Agoura Hills public works project.
- F. Motion picture filming not exceeding seven (7) consecutive days.
- G. Temporary parking on undeveloped adjacent lots.
- H. Recreational, cultural or civic uses that are community service oriented and benefit the community as a whole may be permitted for periods longer than one (1) year subject to approval of the Planning Commission,
- I. Other temporary uses, which in the opinion of the director, are compatible with the intent and purpose of this Chapter.

(Ord. No. 142, § 8, 12-9-87; Ord. No. 217, § 1, 8-26-92)

 - 2. That approval of a temporary use permit will not result in the use of a lot or parcel of land for a cumulative time period in excess of the maximum time period such temporary use may be authorized during any twelvemonth period. The director shall deny an application for a temporary use permit where the information submitted by the applicant or otherwise obtained fails to substantiate such findings.
- F. Conditions of issuance.
 - 1. In approving an application for a temporary use permit, the director may impose such conditions as he deems necessary to insure that the permit will be in accord with the findings required by this section. These

- d. Regulation of operating hours and days including limitations on the duration of such temporary use to a shorter time period than the maximum period authorized;
- e. Requirement of a performance bond or other surety to assure that any temporary facilities or structures used for such proposed temporary use will be removed from the site within forty-eight (48) hours following such event and the property will be restored to its original and neat condition. - f. Requirement of a site plan indicating all details and data as prescribed in this article;
- g. Requirement that the approval of the requested temporary use permit is contingent upon compliance with applicable provisions of other ordinances and other public agency requirements;
- h. Such other conditions as will ensure that the operation of the proposed temporary use will be an orderly and efficient manner and in accord with the intent and purposes of this article.
- 2. In addition to such other conditions as the director may impose, it shall also be deemed a condition of every temporary use permit, that such approval shall not authorize the construction, establishment, alteration or enlargement of any permanent building, structure or facility.

G. Parking facilities; conditions.

1. In the granting of a temporary use permit, the director may authorize the temporary use of parking and related facilities established to serve permanent uses as follows, provided that such temporary usage is specifically authorized by the permit:

Joint usage of required automobile parking facilities established to serve a permanent use, provided owner or occupant of the permanent use or his authorized legal representative submits written consent, and it is determined by the director that such joint utilization will not have a substantially detrimental effect on the surrounding area;
- b. Temporary occupation by a temporary use of a portion of parking facilities or structures established to serve a permanent use provided the owner or occupant of such use or his authorized legal representative submits written consent, and it is determined that such joint utilization will not have a substantially detrimental effect on the surrounding area.
- 2. The temporary reduction in required parking for such permanent use shall not be construed to require a variance with respect to the parking requirements of this article.

Chapter 3 – Commercial Districts PART 2. COMMERCIAL USE TABLES

9311. Purpose.

The purpose of the commercial use tables is to designate the uses permitted within a building, except as otherwise noted in each of the commercial land use districts.

9312. Commercial use, table I established.

The following table I indicates the described uses as a permitted use by an "X" in the district appearing at the top of the column. A letter designation in the column indicates that the described use is permitted in that district upon compliance and maintenance of the special condition referenced by the corresponding letter in section 9312.3. The special condition shall be in addition to all other requirements of this article and any other ordinance applicable to the described use.

9312.1. Similar and like use.

If a use is (1) not listed in table I, (2) not shown as a permitted use in any other zone, or (3) the planning commission has not made a interpretation that said use is similar to another use pursuant to the provisions of chapter 9800, said use shall be prohibited.

9312.2. Commercial use table I.

The following shall be commercial use table I. Note: Since the mixed use district is the same as the business park office retail district, it is not provided for in this table.
