(CASE NOS. 06-SP-023)

THE PLANNING COMMISSION OF THE CITY OF AGOURA HILLS HEREBY FINDS, RESOLVES AND ORDERS AS FOLLOWS:

Section 1. An application was duly filed by Ygal Levy for Eagle Plaza with respect to the property located at 28811 Canwood Street, (Assessor's Parcel Number 2048-011-032) requesting approval of a sign program for a furniture building. A public meeting was duly held on July 6, 2006, at 6:30 p.m. in the Council Chambers of City Hall, 30001 Ladyface Court, Agoura Hills, California; and that notice of time, date and place and purpose of the aforesaid was duly given.

Section 2. Evidence, both written and oral, was duly presented to and considered by the Planning Commission at the aforesaid Public Meeting.

Section 3. The Planning Commission finds, pursuant to Section 9655 of the Agoura Hills Zoning Ordinance, that:

- A. That the proposed sign program, as conditioned, is consistent with applicable provisions of this Zoning Ordinance as it relates to the Sign Ordinance. The sign program preserves and enhances the visual appearance of the City by organizing signage on commercial properties and incorporating new design elements that are compatible in materials and scale with the existing project.
- B. The size of the signs and their recommended location, as conditioned, meet the current Sign Ordinance requirements. The design is in keeping with the architectural style of the building and similar projects in the vicinity.
- C. That the proposed sign program, as conditioned, is consistent with applicable provisions of this Zoning Ordinance as it relates to the Sign Ordinance. The sign program meets the approved Design Guidelines with regard to illumination, legibility, contrast and colors. The City's image as it appears from the Freeway Corridor will be preserved.

Section 4. The project, which is the placement of minor structures, is exempt from the California Environmental Quality Act, per Section 15311, and does not require adoption of an environmental impact report or negative declaration.
