SUBJECT: CONTINUANCE REQUEST OF CONDITIONAL USE PERMIT CASE NO. 03-CUP-016 AND OAK TREE PERMIT CASE NO. 03-OTP-017

### **BACKGROUND AND DISCUSSION**

On March 20, 2008, the Planning Commission held a public hearing for Sean Ben-Menahem's request for a Conditional Use Permit to construct a 4,880 square foot, two-story, single-family residence, a 463 square-foot attached two-car garage, a 100 square-foot patio cover and a 125 square-foot balcony/deck (Case No. 03-CUP-016). The applicant also requested an Oak Tree Permit to remove one Oak tree and encroach within the protected zone of nine Oak trees for the proposed construction (Case No. 03-OTP-17). The project site is located at 6149 Palo Comado Drive.

After conducting the public hearing, the Planning Commission asked the applicant to revise the project plans to address the issues raised at the meeting. The applicant agreed to the request. The Planning Commission continued the public hearing to June 19, 2008. The applicant is requesting additional time to redesign his project and has submitted a request for another continuance. Staff recommends the public hearing be continued to July 17, 2008. The applicant has agreed to the date and intends to complete his redesign for the project.

### **RECOMMENDATION**

Based on the applicant's request, staff recommends that the public hearing for Conditional Use Permit Case No. 03-CUP-016 and Oak Tree Permit Case No. 03-OTP-017 be continued to the July 17, 2008 Planning Commission meeting.
