

## REPORT TO CITY COUNCIL

**DATE:** MAY 13, 2009

**TO:** HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

**FROM:** GREG RAMIREZ, CITY MANAGER

**BY:** RAMIRO ADEVA, CITY ENGINEER

**SUBJECT:** ADOPT RESOLUTION NO. 09-1525, APPROVING THE INSTALLATION OF 35 FEET OF RED CURB TO RESTRICT PARKING ON THE WEST SIDE OF THE WESTERLY DRIVEWAY ENTRANCE LOCATED AT 30423 CANWOOD STREET

---

Public safety concerns have recently been expressed regarding vehicles that have been parking along the west side of the westerly driveway entrance located at 30423 Canwood Street (see attached). The parked vehicles obstruct the visibility of motorists wishing to make a left turn out of the driveway to go eastbound on Canwood Street.

In light of this, the City's Traffic Engineer recommends the installation of 35 feet of red curb, along the west side of the west driveway entrance. This will ensure that parked cars are not obstructing the views of motorists, and that the safety of both drivers and pedestrians is protected at this driveway entrance.

With City Council approval, red curb would be installed by the Los Angeles County Public Works Department within four weeks. In addition, the Lost Hills Sheriff's Traffic Division will be notified of the changes, allowing for immediate enforcement of the new restrictions.

### RECOMMENDATION

Staff respectfully recommends the City Council adopt Resolution No. 09-1525 approving the installation of 35 feet of red curb to restrict parking on the west side of the westerly driveway entrance located at 30423 Canwood Street.
