

REPORT TO CITY COUNCIL

DATE: JUNE 24, 2009

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER

BY: RAMIRO ADEVA, CITY ENGINEER

**SUBJECT: REQUEST TO CONTINUE A PUBLIC HEARING TO CONSIDER THE
INTRODUCATION OF AN ORDINANCE REGARDING BASKETBALL
STANCHIONS PLACED IN THE PUBLIC RIGHT-OF-WAY**

Staff seeks to continue the regularly scheduled public hearing regarding this item. Following publication of the hearing notice, staff determined that more time was needed to adequately prepare the ordinance and have it reviewed by the City Attorney prior to bringing this issue before a public forum.

The ordinance will establish the impounding process and fee schedule for basketball stanchions left in the public right-of-ways for extensive periods of time.

RECOMMENDATION

Staff respectfully recommends the City Council continue the public hearing to the July 8, 2009 regular City Council meeting, to consider an ordinance regarding basketball stanchions placed in the public right-of-way and adopting a resolution establishing impound fees for basketball stanchions.
