

## REPORT TO CITY COUNCIL

**DATE:** APRIL 28, 2010

**TO:** HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

**FROM:** GREG RAMIREZ, CITY MANAGER

**BY:** MEREDITH PETIT, RECREATION MANAGER

**SUBJECT:** APPROVAL OF CONTRACTOR AGREEMENT WITH GREAT WESTERN PARK & PLAYGROUND FOR COMPLETION OF THE SUMAC PARK PLAYGROUND PROJECT

---

On February 24, 2010, City Council authorized staff to seek bids for the completion of the Sumac Park Playground Project. The Request for Proposals (RFP) was subsequently prepared and released on March 10, 2010, and staff received eight proposals by the deadline on April 7, 2010. Staff proceeded to evaluate and rank the eight proposals based on six factors set forth in the RFP, including: grasp of the scope and design services to be performed; presentation, completeness, and thoroughness of the proposal; preliminary design and its responsiveness to the project objectives/preferred criteria; related experience and references; familiarity with state and federal safety guidelines; and, qualifications of key personnel to be performing each task. Following this initial ranking procedure, the top four proposals were invited to participate in the next phase of the selection process, oral presentations and interviews.

On April 14, 2010, the Selection Committee, comprised of three staff members and three residents from the Sumac Park Playground Project Ad Hoc Committee, facilitated oral presentations and interviews with the four potential contractors. The presentations were evaluated and rated in the following four categories: Play Value, Design/Layout/Appearance, Qualifications/Experience/Safety Measures, and Coordination/Understanding of the Scope of Services. Ultimately, Great Western Park & Playground was the highest ranking contractor.

To date, staff has been working closely with Great Western Park & Playground in the final negotiations of the playground design and feels confident that the design has all of the elements set forth in the RFP, as well as by the community at large. The final project will include:

- Play Structure for ages 2-5
- Play Structure for ages 5-12
- Shade Canopies
- Swings for each age group (ages 2-5 & ages 5-12)
- Segregated Sand Play Area within the existing footprint
- Natural Color Scheme

- ADA Compliant Surface Materials
- ADA Compliant Concrete Ramp
- Drainage Enhancement per City-supplied specifications
- Removal of existing equipment and surfacing materials, area preparation, equipment supply and delivery, and installation of all equipment and products.
- Removal of existing benches (2), drinking fountains (2), and trashcans (5), followed by installation of new products to be supplied by the City, including benches (3), drinking fountains (2), and trashcans (5).

The original budgeted amount from Quimby Funds for the entire project was set at \$140,000, and was announced in the RFP. The cost range of the eight proposals received was \$118,225 to \$151,214. It is important to note, however, that cost was not factored into the initial evaluation procedures due to the nature of the varying design and equipment each contractor utilizes in a project of this scope. After negotiations and as documented in the Contractor Agreement, Exhibit B, Great Western Park & Playground will complete the project within the stated budget, under \$140,000.

The estimated date of completion for the entire project is June 30, 2010. A detailed construction timeline will be available after the City has awarded the contract. At this time, staff is prepared to move forward by awarding the contract to Great Western Park & Playground for the completion of the Sumac Park Playground Project, as stated in the attached Services Agreement.

The agreement has been reviewed and approved as to form by the City Attorney.

## **RECOMMENDATION**

Staff respectfully recommends the City Council approve the Contractor Agreement, between the City of Agoura Hills and Great Western Park & Playground, to complete the Sumac Park Playground Project.

4. **PREVAILING WAGES**. Pursuant to the provisions of Section 1773 of the Labor Code of the State of California, the City Council has obtained the general prevailing rate of per diem wages and the general rate for holiday and overtime work in this locality for each craft, classification, or type of workman needed to execute this Contract from the Director of the Department of Industrial Relations. These rates are on file with the City Clerk. Copies may be obtained at cost at the City Clerk's office of the City of Agoura Hills. Contractor shall provide a copy of prevailing wage rates to any staff or sub-contractor hired, and shall pay the adopted prevailing wage rates as a minimum. Contractor shall comply with the provisions of Sections 1773.8, 1775, 1776, 1777.5, 1777.6, and 1813 of the Labor Code. Pursuant to the provisions of 1775 of the Labor Code, Contractor shall forfeit to the City, as a penalty, the sum of \$25.00 for each calendar day, or portion thereof, for each laborer, worker, or mechanic employed, paid less than the stipulated prevailing rates for any work done under this contract, by him or by any subcontractor under him, in violation of the provisions of the Contract.

5. **PAYMENT**

A. The City agrees to pay Contractor monthly, in accordance with the payment rates and terms and the schedule of payment as set forth in Exhibit B, Payment Rates and Schedule, attached hereto and incorporated herein by this reference as though set forth in full, based upon actual time spent on the above tasks. Any terms in Exhibit B other than the payment rates and schedule of payment are null and void. This amount shall not exceed

\$139,647.70 (“Contract Price”) for the initial Term of the Agreement unless additional payment is approved as provided in this Agreement.

The City Manager may approve additional work up to ten percent (10%) of the amount of the Contract Price. Any additional work in excess of this amount shall be approved by the City Council.

B. Contractor shall not be compensated for any services rendered in connection with its performance of this Agreement which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager. C. Contractor will submit invoices monthly for actual services performed. Invoices shall be submitted between the first and fifteenth business day of each month, for services provided in the previous month. Payment shall be made within thirty (30) days of receipt of each invoice as to all non-disputed fees. **5. SUSPENSION OR TERMINATION OF AGREEMENT WITHOUT CAUSE**

A. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Contractor at least ten (10) days prior written notice. Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement such suspension or termination shall not make void or invalidate the remainder of this Agreement.

B. In the event this Agreement is terminated pursuant to this Section, the City shall pay to Contractor the actual value of the work performed up to the time of termination, provided that the work performed is of value to the City. Upon termination of the Agreement pursuant to this Section, the Contractor will submit an invoice to the City pursuant to Section 4.

**6. DEFAULT OF CONTRACTOR**

A. The Contractor's failure to comply with the provisions of this Agreement shall constitute a default. In the event that Contractor is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Contractor for any work performed after the date of default and can terminate this Agreement immediately by written notice to the Contractor. If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.

B. If the City Manager or his or her delegate determines that the Contractor is in default in the performance of any of the terms or conditions of this Agreement, it shall serve

the Contractor with written notice of the default. The Contractor shall have (10) days after service upon it of said notice in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Contractor shall provide free access to the representatives of City or its designees at reasonable times to such books and records, shall give City the right to examine and audit said books and records, shall permit City to make transcripts there from as necessary, and shall allow inspection of all work, data, documents, proceedings and activities related to this Agreement.
