Government Code Section 65400 establishes the requirement that each city and county prepares an annual report on the status of the Housing Element of its General Plan and progress in its implementation to the State Department of Housing and Community Development. The City Council adopted the City's 2008-2014 Housing Element in November 2008, followed by certification of the Housing Element by the State Housing and Community Development Department (HCD) in January 2009. The Annual Progress Report is for the calendar year 2009.

As indicated on the attached HCD forms, during the 2009 calendar year, four above-moderate income single family homes were constructed in the City. Additionally, the City has made substantial progress in fulfilling the objectives of the numerous programs identified in the Housing Element, as demonstrated in Table C of the attached forms.
