

REPORT TO CITY COUNCIL

DATE: JUNE 9, 2010

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER

BY: RAMIRO ADEVA, CITY ENGINEER

SUBJECT: NOTICE OF COMPLETION FOR THE FY 2009-10 ANNUAL CONCRETE REPAIR PROJECT; NIB 09-03, AND APPROVE THE EXTENSION OF THE CONTRACT AGREEMENT FOR THE FY 2010-11 ANNUAL CONCRETE REPAIR PROJECT

The City contracted with FS Construction to repair damaged concrete improvements throughout the City which included: lifted sidewalks, broken curbs and gutters, and reconstruction of cross gutters. The contract also included new construction of bus pads and an alternate bid item, that constructed a new driveway approach at Lewis Road for emergency exit for the residents in the area. FS Construction started work on the project in mid-April.

This fiscal year's work has been completed, which included the repair of 5,075 square-feet of sidewalk, one (1) cross-gutter at Rigger Road, thirty (30) linear feet of curb and gutter at Pinewood Avenue, installation of eight (8) new bus pads along Thousand Oaks Boulevard and Roadside Drive, and construction of a new emergency exit with removable bollards on Lewis Road. The total cost of the work was \$153,424.50, which included one (1) change order in the amount of \$31,064.50. The bulk of the change order resulted in the addition of three (3) new bus pads along Thousand Oaks Boulevard. The funding for the additional bus pads came from remaining Proposition C funds that were a result of lower bids received for the Traffic Signal (Emergency) Battery Back-up Project. The project was completed on schedule and within budget.

The initial term of the contract with FS Construction was set at one year, with an allowance of up to four additional one-year periods if agreed by both parties. Any extension shall be based on the terms and conditions of the initial contract, and bid prices may be increased or decreased annually by a percentage determined by the California Consumer Price Index (CPI). Both the City and contractor mutually agree to extend the contract another year for fiscal year 2010-11.

The work was performed to the satisfaction of staff and is expected to serve the City well for many years to come.

The budget for next fiscal year is estimated at \$115,500 through a combination of Gas Tax, TDA funds and Proposition C funds. The scope of work will be similar to this fiscal year's work. Staff expects construction to commence at the end of June on bus pad installation first, along Thousand Oaks Boulevard, prior to commencement of the 2010 Pavement Rehabilitation Project,

and the rest of the project after July 1, 2010. The project is expected to take approximately thirty (30) working days to complete.

The extension of the agreement has been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

Staff recommends the City Council:

1. Approve, and accept as complete, the work of FS Construction., for the Fiscal Year 2009-10 Annual Concrete Repair Project; NIB 09-03.
2. Authorize the City Engineer to sign the Notice of Completion for the project and authorize the City Clerk to forward the Notice of Completion to the County Recorder for recordation.
3. Authorize the City Engineer to release the retention amount 35 days after the Notice of Completion is recorded.

DO NOT RECORD

REQUIREMENTS AS TO NOTICE OF COMPLETION

Notice of Completion must be filed for record **WITHIN 10 DAYS** after completion of the work of improvement (to be computed exclusive of the day of completion) as provided in Civil Code Section 3093.

The “owner” who must file for record a Notice of Completion of a building or other work of improvement means the owner (or his successor in-interest at the date the notice is filed) on whose behalf the work was done, though his ownership is less than the fee title. For example, if A is the owner in fee, and B, lessee under a lease, causes a building to be constructed, then B, or whoever has succeeded to his interest at the date the notice is filed, must file the notice.

If the ownership is in two or more persons as joint tenants or tenants in common, the notice may be signed by any one of the co-owners (in fact, the foregoing form is designed for giving of the notice by only one co-tenant), but the names and addresses of the other co-owners must be stated in paragraph 5 of the form.

Note that any Notice of Completion signed by a successor in interest shall recite the names and addresses of his transferor or transferors.

In paragraphs 3, 5 and 6, the full address called for should include street number, city, county and state.

As to paragraphs 7 and 8, this form should be used only where the Notice of Completion covers the work of improvement as a whole. If the notice is to be given only of completion of a particular contract, where the work of improvement is made pursuant to two or more original contracts, then this form must be modified as follows: (1) Strike the words “A work of improvement” from paragraph 7 and insert a general statement of the kind of work done or materials furnished pursuant to such contract (e.g., “The foundation for the improvements”); (2) Insert the name of the contractor under the particular contract in paragraph 8.

In paragraph 8 of the notice, insert the name of the contractor for the work of improvement as a whole. No contractor’s name need be given if there is no general contractor, e.g. on so-called owner-builder jobs.”

In paragraph 9, insert the full, legal description, not merely a street address or tax description. Refer to deed or policy of title insurance. If the space provided for description is not sufficient, a rider may be attached.

In paragraph 10, show the street address, if any, assigned to the property by any competent public or governmental authority.

Before you use this form, fill in all blanks, and make whatever changes are appropriate and necessary to your particular transaction. Consult a lawyer if you doubt the form’s fitness for your purpose and use.

The City may, at its option, extend this Agreement for one additional term of three (3) years upon providing written notice of its intent to so extend this Agreement to the Contractor not less than thirty (30) days prior to the expiration of this initial Term. This amount shall not exceed \$105,400 ("Contract Price") for the initial Term of the Agreement unless additional payment is approved as provided in this Agreement.

B. Contractor shall not be compensated for any services rendered in connection with its performance of this Agreement which are in addition to those set forth herein, unless such additional services are authorized in advance and in writing by the City Manager. Contractor shall be compensated for any additional services in the amounts and in the manner as agreed to by the City Council and Contractor at the time City's written authorization is given to Contractor for the performance of said services.

C. Contractor will submit invoices monthly for actual services performed. Invoices shall be submitted between the first and fifteenth business day of each month, for

5. SUSPENSION OR TERMINATION OF AGREEMENT WITHOUT CAUSE

A. The City may at any time, for any reason, with or without cause, suspend or terminate this Agreement, or any portion hereof, by serving upon the Contractor at least ten (10) days prior written notice. Upon receipt of said notice, the Contractor shall immediately cease all work under this Agreement, unless the notice provides otherwise. If the City suspends or terminates a portion of this Agreement such suspension or termination shall not make void or invalidate the remainder of this Agreement.

If such failure by the Contractor to make progress in the performance of work hereunder arises out of causes beyond the Contractor's control, and without fault or negligence of the Contractor, it shall not be considered a default.
