

REPORT TO CITY COUNCIL

DATE: JUNE 9, 2010

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: GREG RAMIREZ, CITY MANAGER

BY: LOUIS CELAYA, ASSISTANT TO THE CITY MANAGER

SUBJECT: APPROVAL OF RESOLUTION NO 10-1583, AUTHORIZING PARTICIPATION IN THE DEPARTMENT OF RESOURCES RECYCLING AND RECOVERY (CALRECYCLE) USED OIL PAYMENT PROGRAM AND AUTHORIZING THE CITY MANGER TO EXECUTE AND DELIVER ALL DOCUMENTS NECESSARY FOR THE PURPOSE OF SECURING PAYMENT

Historically, the City has been a recipient of a Used Oil Block Grant from the former California Integrated Waste Management Board, where the grant provided funding for the City's monthly used oil collection program. As a result of the elimination of California Integrated Waste Management Board, the Department of Resource Recycling and Recovery (CalRecycle) was created and replaced the board. The administrative staff now acts in the capacity of the former board, and restructuring at the State level has also resulted in many of the current programs formally managed by the board being revised and streamlined. The former Used Oil Block Grant Program is now being changed to the Used Oil Payment Program (OPP). The program will essentially remain the same, however the CalRecycle staff has streamlined the administrative paperwork, and initial reports indicate that grant recipients will no longer have the 10% grant withholding as part of the grant process. This will result in participants receiving full grant allocations.

As part of the program, CalRecycle is requiring all qualifying public agencies (cities, counties, etc.) to submit new resolutions authorizing participation in the new OPP by June 30, 2010. The attached resolution authorizes the City Manager to execute all documents associated with the Used Oil Payment Program. As the resolution is open-ended, it will no longer require the City to resubmit resolutions every five years, and can be rescinded by the City Council at any time. Additionally, there is a letter of designation which authorizes the City Manager to designate a staff member to execute all documents, reports, and other administrative issues on his behalf. The City is anticipating the continued receipt of approximately \$5,700 in grant funding, with the funds to be used for the City's monthly used oil collection.

RECOMMENDATION

Staff recommends the City Council approve Resolution No. 10-1583 authorizing participation in the Department of Resources Recycling and Recovery (CalRecycle) Used Oil Payment Program and authorizing the City Manager to execute and deliver all documents necessary for the purpose of securing payment.
