

REPORT TO CITY COUNCIL

DATE: AUGUST 25, 2010
TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL
FROM: GREG RAMIREZ, CITY MANAGER
BY: RAMIRO ADEVA, CITY ENGINEER
SUBJECT: NOTICE OF COMPLETION FOR THE FY 2010-11 ANNUAL CONCRETE REPAIR PROJECT; NIB 09-03(2), AND CONTRACT AGREEMENT FOR THE FY 2011-12 ANNUAL CONCRETE REPAIR PROJECT; NIB 09-03(3)

The City has contracted with FS Construction, to repair damaged concrete improvements throughout the City, which include: lifted sidewalks, broken curbs and gutters, and reconstruction of cross gutters. The contract also included new construction of bus pads along Thousand Oaks Boulevard and Roadside Drive. Construction for the new bus pads started in late June, finishing prior to the commencement of the 2010 Pavement Rehabilitation Project on Thousand Oaks Boulevard in July. The remaining work on the project, sidewalk repair, broken curb and gutters, and cross-gutters, was started after July 1, 2010.

This fiscal year's work has been completed, which included the repair of 4,283 square feet of sidewalk, one (1) cross-gutter at Weeping Willow, thirty-eight (38) linear feet of curb and gutter, and installation of six (6) new bus pads along Thousand Oaks Boulevard and Roadside Drive. The total cost of the work was \$110,056.50, which included one (1) change order in the amount of \$6,989.50. The bulk of the change order resulted in the addition of various locations of sidewalk repair and the removal and replacement of existing AC sidewalk with new concrete sidewalk along the length of the new bus pads on Roadside Drive. The project was completed on schedule and within budget.

This is the second year that FS Construction has provided contracting services to repair and reconstruct damaged concrete in the City. The initial term of the contract with FS Construction was set at one year, with up to four (4) potential one-year extensions. The extension shall be based on the terms, conditions, and bid prices of the initial contract (NIB 09-03), and may be increased or decreased annually by a percentage determined by the California Consumer Price Index (CPI). Both the City and contractor mutually agree to extend the contract another year for fiscal year 2011-12.

The work was performed to the satisfaction of staff and is expected to serve the City well for many years.

RECOMMENDATION

Staff recommends the City Council:

1. Approve, and accept as complete, the work of FS Construction for the Fiscal Year 2010-2011 Annual Concrete Repair Project; NIB 09-03 (2).
2. Authorize the City Engineer to sign the Notice of Completion for the project and authorize the City Clerk to forward the Notice of Completion to the County recorder for recordation.
3. Authorize the City Engineer to release the retention amount 35 days after the Notice of Completion is recorded.
4. Authorize the Mayor to sign the extended contract agreement for one-year for the Fiscal Year 2011-12; NIB 09-03 (3).
