# Message from the Director!

## What will inspire you this year?

As I begin to think about a New Year's Resolution for 2011, I search hard for my **inspiration**. Lucky for me, I quickly realize that I don't have to search too far! My inspiration for the New Year will be the many, many people that come through these doors each day to **volunteer** their time here at the Agoura Hills Recreation Center. Their desire to make recreation programs better, to help people that need **assistance**, to **comfort** seniors who have might not have any family, to work with children taking their first sport class, or to help **beautify** this wonderful city that we live in...it's those individuals that will inspire me to **"create community!"**

Whether you create community by **volunteering** somewhere, or even **donating** to a good cause, I applaud you for your efforts to make this world a **better place to live!** As you consider your own New Year's Resolution, consider making a commitment to "creating community" and **"giving back."** By doing that, you may change a life forever.... or, better yet, you may **change a community forever!**

Sincerely,

**Amy Brink**

Director of Community Services

# Reyes Adobe Historical Site

## Programs at the Reyes Adobe

The Reyes Adobe Historical Site is an early California rancho setting featuring:

- ★ A preserved adobe home with rooms depicting various periods of its history.
- ★ Interpretive displays on everyday rancho living.
- ★ An adobe barn that is now a museum and educational center on the site's unique legacy with cultural artifacts and California history timeline.

Public, educational and group programs are available throughout the year and offer a variety of ways to discover the region's unique legacy through guided tours, interactive exhibits and special events.

The Reyes Adobe Historical Site was made possible by the generous donations of the Santa Monica Mountains Conservancy, The Getty Grant Program and State Park Propositions 12 and 40.

## Adobe Days and California Ways

Our field trip/Educational tours comply with suggested California State curriculum requirements. A special educational program has been established so that 4th grade children can visit the site with their schools to learn about California history with hands-on activities, learn about what life was like on the rancho, and the responsibilities of those who lived here on the land.

REYES ADOBE HISTORICAL SITE WILL BE CLOSED DURING INCLEMENT WEATHER.

### WHAT IS CERT?

Local government prepares for everyday emergencies. However, during a large disaster, the number and scope of incidents can overwhelm conventional emergency services. The Community Emergency Response Team (CERT); traditionally known as the Disaster Response Team (DRT) in Agoura Hills; is designed to educate residents and businesses about emergency preparedness for hazards that may impact their area and instructs them in basic disaster response skills. Using the skills learned in the classroom and during exercises, CERT-trained DRT members can give critical support to their families, neighbors, and community immediately following a disaster when residents may initially be on their own and emergency services may not be available to help.

### WHY WAS THE CERT PROGRAM DEVELOPED?

The CERT training program was developed by the Federal Emergency Management Agency (FEMA) and modeled after the original 1985 programs used by the City of Los Angeles Fire Department. The purpose of the CERT program is to create a well-trained citizen emergency work force which is vital in the immediate aftermath of disaster situations when the number and scope of incidents overwhelm conventional emergency services.

### WHY DO THE CERT TRAINING?

CERT members are primarily used in their own neighborhoods. CERT training means you are as ready as you can be to help yourself, your family, and your neighborhood, and serves as the basic level of training for all community-based disaster volunteer teams. In a disaster, normal activities will be disrupted; sheriff, fire, 9-1-1, and ambulances will be quickly overwhelmed and may not be able to respond for 72 hours. Residents need to be able to take care of themselves until the professional emergency responders arrive. One goal of the CERT program is to help residents respond to and assist others in need and do so effectively without placing themselves in unnecessary danger.

If you would like more information about the City of Agoura Hills CERT Disaster Response Team, please contact the CERT information hotline at (818) 597-7302 or email [cdodd@ci.agoura-hills.ca.us](mailto:cdodd@ci.agoura-hills.ca.us)

### Reasonable Accommodations

The City of Agoura Hills provides a variety of programs, activities, and classes for all members of the community; including children, teens, and adults with special needs. Parent's wishing to enroll their special needs child in any of our programs, activities, and classes should make sure to complete the "Notes" section on the Registration Form where requests for special needs accommodations can be made. Those parents that complete this section will be contacted by the Department of Community Services Center staff so that reasonable accommodations can be made to accommodate the inclusion of their special needs child. Because of the limited staff ratio, it is usually required that a child with special needs be accompanied by an aid or caregiver, depending on the severity of the disability.
